Tenth United Nations Conference on the Standardization of Geographical Names

New York, 31 July-9 August 2012

Item 12 of the provisional agenda*

Terminology in the standardization of geographical names

Preparation of generic terms compiled from the toponymic geo-database for verifying and validating the geographical names of natural features

Submitted by Indonesia**

Summary***

In line with the implementation programme for the standardization of the geographical names of natural features from 2012 to 2014, the existing local generic terms in the database should be prepared. The report describes the number and names of local generic terms from eight provinces which are to be verified and validated in 2012.

* E/CONF.101/1.

** Prepared by the secretariat of the National Team for the Standardization of Geographical Names, Indonesia.
