Standardization of administrative area names

Submitted by Indonesia**

Summary***

To implement resolution I/4 of the First United Nations Conference on the Standardization of Geographical Names, on national standardization, the national team for the standardization of geographical names compiled a standardization plan comprising the following phases:

- (a) Standardization of island names;
- (b) Standardization of administrative area names;
- (c) Standardization of natural topographic feature names;
- (d) Standardization of human-made feature names;
- (e) Standardization of cultural heritage names.

In the report, the national team focuses on work on the standardization of administrative area names, which took place from 2009 to 2011, describing the activities carried out during that period.

* E/CONF.101/1.

** Prepared by the secretariat of the national team for the standardization of geographical names.
