

6 August 2012

---

**Information circular\***

To: Members of the staff

From: The Assistant Secretary-General for Human Resources Management

Subject: **Designation of duty stations for purposes of rest and recuperation**

1. In accordance with ST/AI/2011/7/Amend.2, on rest and recuperation, and following inter-agency consultations, the Office of Human Resources Management approves the duty stations that qualify for rest and recuperation, determines the duration of the period of qualifying service (frequency) and designates rest and recuperation destinations. The annex to the present circular lists the duty stations approved for rest and recuperation purposes effective as at 1 July 2012.

2. Should security or severe hardship conditions improve or deteriorate at specific duty stations during the course of the year, the frequency may be adjusted by the Office of Human Resources Management following inter-agency consultations. Similarly, significant changes in a duty station environment may result in the approval or discontinuation of rest and recuperation.

3. In duty stations where the rest and recuperation periodicity has been reduced, the new cycle takes effect immediately. In duty stations where the rest and recuperation periodicity has been increased (4 to 6, 6 to 8 or 8 to 12) or discontinued, staff members or other eligible individuals who have already started accruing qualifying service prior to 1 July 2012 may avail themselves of rest and recuperation after completing the period of qualifying service previously in effect. The new rest and recuperation periodicity shall apply from the date of return to the duty station.

---

\* Expiration date of the present information circular: 31 December 2012.

## Annex

**Consolidated list of duty stations<sup>a</sup> approved by the Office of Human Resources Management for rest and recuperation (as at 1 July 2012)**
