III. Recommendation of the First Committee

7. The First Committee recommends to the General Assembly the adoption of the following draft resolution:

Comprehensive Nuclear-Test-Ban Treaty

The General Assembly,

Reiterating that the cessation of nuclear-weapon test explosions or any other nuclear explosions constitutes an effective nuclear disarmament and non-proliferation measure, and convinced that this is a meaningful step in the realization of a systematic process for achieving nuclear disarmament,

Recalling that the Comprehensive Nuclear-Test-Ban Treaty, adopted by its resolution 50/245 of 10 September 1996, was opened for signature on 24 September 1996,

Stressing that a universal and effectively verifiable Treaty constitutes a fundamental instrument in the field of nuclear disarmament and non-proliferation and that, after more than fifteen years, its entry into force is more urgent than ever before,

Encouraged by the signing of the Treaty by one hundred and eighty-three States, including forty-one of the forty-four whose ratification is needed for its entry into force, and welcoming the ratification of the Treaty by one hundred and fifty-seven States, including thirty-six of the forty-four whose ratification is needed for its entry into force, among which there are three nuclear-weapon States,

Recalling its resolution 66/64 of 2 December 2011,

Welcoming the adoption by consensus of the conclusions and recommendations for follow-on actions of the 2010 Review Conference of the Parties to the Treaty on the Non-Proliferation of Nuclear Weapons,¹ which, inter alia, reaffirmed the vital importance of the entry into force of the Comprehensive Nuclear-Test-Ban Treaty as a core element of the international nuclear disarmament and non-proliferation regime and included specific actions to be taken in support of the entry into force of the Treaty,

Recalling the Final Declaration adopted by the seventh Conference on Facilitating the Entry into Force of the Comprehensive Nuclear-Test-Ban Treaty, held in New York on 23 September 2011, convened pursuant to article XIV of the Treaty, and noting the improved prospects for ratification in several Annex 2 countries,

Welcoming the Joint Ministerial Statement on the Comprehensive Nuclear-Test-Ban Treaty, adopted at the ministerial meeting held in New York on 27 September 2012,²

¹ 2010 Review Conference of the Parties to the Treaty on the Non-Proliferation of Nuclear Weapons, *Final Document*, vol. I (NPT/CONF.2010/50 (Vol. I)), part I, *Conclusions and recommendations for follow-on actions*.

² A/67/515, annex.

1. *Stresses* the vital importance and urgency of signature and ratification, without delay and without conditions, in order to achieve the earliest entry into force of the Comprehensive Nuclear-Test-Ban Treaty;³
2. *Welcomes* the contributions by the signatory States to the work of the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization, in particular its efforts to ensure that the verification regime of the Treaty will be capable of meeting the verification requirements of the Treaty upon its entry into force, in accordance with article IV of the Treaty;
3. *Underlines* the need to maintain momentum towards completion of all elements of the verification regime;
4. *Urges* all States not to carry out nuclear-weapon test explosions or any other nuclear explosions, to maintain their moratoriums in this regard and to refrain from acts that would defeat the object and purpose of the Treaty, while stressing that these measures do not have the same permanent and legally binding effect as the entry into force of the Treaty;
5. *Recalls* Security Council resolutions 1718 (2006) of 14 October 2006 and 1874 (2009) of 12 June 2009, emphasizes the importance of their implementation, and reaffirms its firm support for the Six-Party Talks;
6. *Urges* all States that have not yet signed the Treaty, in particular those whose ratification is needed for its entry into force, to sign and ratify it as soon as possible;
7. *Urges* all States that have signed but not yet ratified the Treaty, in particular those whose ratification is needed for its entry into force, to accelerate their ratification processes with a view to ensuring their earliest successful conclusion;
8. *Welcomes*, since its previous resolution on the subject, the ratification of the Treaty by Indonesia, a State whose ratification was needed for the Treaty to enter into force, and by Guatemala as significant steps towards the early entry into force of the Treaty, and also welcomes the signature by Niue of the Treaty;
9. *Also welcomes* the recent expressions from among the remaining States whose ratification is needed for the Treaty to enter into force of their intention to pursue and complete the ratification process;
10. *Urges* all States to remain seized of the issue at the highest political level and, where in a position to do so, to promote adherence to the Treaty through bilateral and joint outreach, seminars and other means;
11. *Requests* the Secretary-General, in consultation with the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization, to prepare a report on the efforts of States that have ratified the Treaty towards its universalization and possibilities for providing assistance on ratification procedures to States that so request it, and to submit such a report to the General Assembly at its sixty-eighth session;
12. *Decides* to include in the provisional agenda of its sixty-eighth session the item entitled "Comprehensive Nuclear-Test-Ban Treaty".
