AGENDA ITEM 8

Adoption of the agenda (*continued*)FIRST REPORT OF THE GENERAL COMMITTEE
(A/9750) (*concluded*)

1. The PRESIDENT (*interpretation from French*): First, I would apologize to all the representatives here for the delay in the convening of this meeting. I should like to say also how grateful we are for the way in which the members of the Secretariat, despite the nervous tension, patiently waited in their booths while we were engaged in an appeal to the good will of the three parties concerned in the Cyprus question, in accordance with the mandate which the Secretary-General and the President of the Assembly were given by the Assembly earlier today.

2. At the 2236th meeting it was decided that the item entitled "Question of Cyprus" should be allocated to the plenary Assembly. However, an understanding has been reached that the General Assembly, when it considers this item, will invite the Special Political Committee to meet for the purpose of affording representatives of the Cypriot communities an opportunity to take the floor in the Committee in order to express their views. The General Assembly will then resume its consideration of the item, taking into account the report of the Special Political Committee. If there is no objection, it will be so decided.

It was so decided.

3. The PRESIDENT (*interpretation from French*): I now invite members to examine the list of items recommended for allocation to the Second Committee by the General Committee in paragraph 28 of its first report [A/9750].

4. With regard to item 1 on that list, the General Committee has made recommendations in paragraph 25 (c). If there is no objection, I shall take it that the Assembly approves those recommendations.

It was so decided.

5. The PRESIDENT (*interpretation from French*): Regarding item 13 on the list, the General Committee has made a recommendation in paragraph 26 (d) (ii). May I take it that the General Assembly adopts that recommendation?

It was so decided.

6. The PRESIDENT (*interpretation from French*): May I take it that the General Assembly approves the allocation of the items to the Second Committee?

It was so decided.

7. The PRESIDENT (*interpretation from French*): We come now to the items proposed for allocation to the Third Committee. The General Committee has made a recommendation in paragraph 25 (d) (i) regarding item 1 on the list. May I take it that the General Assembly approves that recommendation?

It was so decided.

8. The PRESIDENT (*interpretation from French*): May I also take it that the General Assembly approves the allocation of the items to the Third Committee?

It was so decided.

9. The PRESIDENT (*interpretation from French*): We turn next to the list of items that the General Committee recommends for allocation to the Fourth Committee. Are there any comments on the allocation of those 11 items to the Fourth Committee? If not, I shall take it that the Assembly approves that allocation.

It was so decided.

10. The PRESIDENT (*interpretation from French*): We turn now to the list of items recommended for allocation to the Fifth Committee. Regarding item 2 on that list, the General Committee has made a recommendation in paragraph 25 (e) (ii). May I take it that that recommendation is approved by the Assembly?

It was so decided.

11. The PRESIDENT (*interpretation from French*): In connexion with item 15 on the list, the General Committee has made a recommendation in paragraph 25 (e) (i). May I take it that that recommendation is adopted?

It was so decided.

12. The PRESIDENT (*interpretation from French*): May I also take it that the General Assembly approves the allocation of the items to the Fifth Committee?

It was so decided.

13. The PRESIDENT (*interpretation from French*): May I now invite members to turn their attention to the proposed allocation of items to the Sixth Committee. In this connexion the General Committee

draws the Assembly's attention to paragraph 25 (f) concerning item 1 on the list. The General Assembly may wish to take note of it.

It was so decided.

14. The PRESIDENT (*interpretation from French*): Lastly, may I take it that the General Assembly

approves the recommended allocation of the items to the Sixth Committee?

It was so decided.
