SCALE OF ASSESSMENTS FOR THE APPORTIONMENT OF THE EXPENSES
OF THE UNITED NATIONS

Letter dated 19 September 1989 from the Secretary-General
addressed to the President of the General Assembly

At present, four Member States are in arrears in accordance with Article 19 of the Charter, which states as follows:

"A Member of the United Nations which is in arrears in the payment of its financial contributions to the Organization shall have no vote in the General Assembly if the amount of its arrears equals or exceeds the amount of the contributions due from it for the preceding two full years. The General Assembly may, nevertheless, permit such a Member to vote if it is satisfied that the failure to pay is due to conditions beyond the control of the Member."

The minimum payments necessary to reduce the amounts owed by the Member States on their contributions so that they remain below the gross amounts owed for the preceding two full years (1987-1988) are the following:

	<u>US dollars</u>
Dominican Republic	223 600
El Salvador	12 057
Equatorial Guinea	46 300
