

Sixty-eighth session

Proposed programme budget for the biennium 2014-2015

Part IV International cooperation for development

Section 15 Human settlements

(Programme 12 of the biennial programme plan for the period 2014-2015)

Corrigendum

1. Paragraph 15.62

The third sentence *should read*

The net decrease of \$27,800 in non-post resources is mainly due to reductions related to communications costs, contractual services, usage of paper and supplies and acquisition of new furniture in line with the Secretary-General's report on the budget outline as reflected in table 15.7 of the present report, partially offset by the increase in the rates of common services provided to the organization by the United Nations Office at Nairobi and travel of staff to provide advisory services to government authorities.

2. Paragraph 15.67

The third sentence *should read*

The net decrease of \$24,200 mainly relates to reduced requirements under non-post resources for communications costs, contractual services, usage of paper and supplies and acquisition of new furniture in line with the Secretary-General's report on the budget outline as reflected in table 15.7 of the present report, partially offset by the increase in the rates of common services provided to the organization by the United Nations Office at Nairobi and travel of staff to provide advisory services to government authorities.

3. Paragraph 15.72

The fourth sentence *should read*

In addition, the net decrease of \$5,000 under non-post resources is mainly due to reduced requirements for communications costs, contractual services, usage of paper and supplies and acquisition of new furniture in line with the Secretary-General's report on the budget outline as reflected in table 15.7 of the present report, partially offset by increases in the rates of common services provided to the organization by the United Nations Office at Nairobi and travel of staff to provide advisory services to government authorities.

4. Paragraph 15.77

The third sentence *should read*

The net decrease is mainly due to the reduced requirements for communications costs and contractual services, usage of paper and supplies and acquisition of new furniture in line with the Secretary-General's report on the budget outline as reflected in table 15.7, partially offset by increases in the rates of common services provided to the organization by the United Nations Office at Nairobi and travel of staff to provide advisory services to government authorities.

5. Paragraph 15.82

The third sentence *should read*

The net decrease is mainly due to reductions in requirements for communications costs and contractual services, usage of paper and supplies and acquisition of new furniture in line with the Secretary-General's report on the budget outline as reflected in table 15.7, partially offset by increases in the rates of common services provided to the organization by the United Nations Office at Nairobi and travel of staff to provide advisory services to government authorities.

6. Paragraph 15.87

The third sentence *should read*

The net decrease is mainly due to reduction in requirements for communications costs and contractual services, usage of paper and supplies and acquisition of new furniture in line with the Secretary-General's report on the budget outline as reflected in table 15.7, partially offset by increases in the rates of common services provided to the organization by the United Nations Office at Nairobi and travel of staff to provide advisory services to government authorities.
