

Subsidiary Body for Implementation

Thirty-ninth session

Warsaw, 11–16 November 2013

Agenda item 11

**Approaches to address loss and damage associated with
climate change impacts in developing countries that
are particularly vulnerable to the adverse effects
of climate change to enhance adaptive capacity¹**

Approaches to address loss and damage associated with climate change impacts in developing countries that are particularly vulnerable to the adverse effects of climate change to enhance adaptive capacity

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) welcomed the documents prepared for the session.²
2. The SBI expressed its gratitude to the Government of Fiji for hosting the expert meeting referred to in decision 3/CP.18, paragraph 10(a),³ and to the Governments of Australia, Japan and Norway and the European Union for providing financial support for the implementation of activities under the work programme on loss and damage.
3. The SBI initiated its consideration of the mandate for this session, in accordance with paragraph 9 of decision 3/CP.18, and agreed that this consideration be continued under the Conference of the Parties at its nineteenth session.

¹ Decision 1/CP.16, paragraphs 26–29.

² FCCC/TP/2013/2, FCCC/TP/2013/12, FCCC/SBI/2013/INF.14.

³ The meeting took place in Nadi, Fiji, from 12 to 14 September 2013.
