25/... Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan

The Human Rights Council,

Guided by the principles of the Charter of the United Nations and affirming the inadmissibility of the acquisition of territory by force,

Reaffirming that all States have an obligation to promote and protect human rights and fundamental freedoms, as stated in the Charter and as elaborated in the Universal Declaration of Human Rights, the International Covenants on Human Rights and other applicable instruments,

Recalling the relevant resolutions of the Commission on Human Rights, the Human Rights Council, the Security Council and the General Assembly reaffirming, inter alia, the illegality of the Israeli settlements in the occupied territories, including in East Jerusalem,

Recalling also Human Rights Council resolution 19/17 of 22 March 2012, in which the Council decided to establish an independent international fact-finding mission to investigate the implications of the Israeli settlements on the human rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,

Mindful that Israel is a party to the Fourth Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, which is applicable de jure to Palestinian and all Arab territories occupied by Israel since 1967, including East Jerusalem and the Syrian Golan, and recalling the declaration adopted by the Conference of High Contracting Parties to the Fourth Geneva Convention, held in Geneva on 5 December 2001,

* Non-member State of the Human Rights Council.

Considering that the transfer by the occupying Power of parts of its own civilian population into the territory it occupies constitutes a breach of the Fourth Geneva Convention and relevant provisions of customary law, including those codified in Additional Protocol I to the Geneva Conventions of 12 August 1949,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the *Legal Consequences of the Construction of a Wall in the Occupied Palestinian Territory*, and recalling also General Assembly resolutions ES-10/15 of 20 July 2004 and ES-10/17 of 15 December 2006,

Noting that the International Court of Justice concluded that the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, had been established in breach of international law,

Taking note of the recent relevant reports of the Secretary-General, the Office of the United Nations High Commissioner for Human Rights, the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Palestinian People and Other Arabs of the Occupied Territories and the treaty bodies monitoring compliance with the human rights treaties to which Israel is a party, as well as the recent reports of the Special Rapporteur of the Human Rights Council on the situation of human rights in the Palestinian territories occupied since 1967,

Taking note also of the report of the independent international fact-finding mission to investigate the implications of the Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,¹

Affirming that the Israeli settlement activities in the Occupied Palestinian Territory, including East Jerusalem, undermine regional and international efforts aimed at the realization of the two-State solution of Israel and Palestine, living side by side in peace and security within recognized borders, on the basis of the pre-1967 borders,

Recalling the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict, and emphasizing specifically the Quartet's call for a freeze on all settlement activity, including so-called natural growth, and the dismantlement of all settlement outposts erected since March 2001, and the need for Israel to uphold its obligations and commitments in this regard,

Taking note of General Assembly resolution 67/19 of 29 November 2012, by which, inter alia, Palestine was accorded the status of non-member observer State in the United Nations, and taking note of the follow-up report thereon of the Secretary-General,²

Aware that Israeli settlement activities involve, inter alia, the transfer of nationals of the occupying Power into the occupied territories, the confiscation of land, the forced displacement of Palestinian civilians, including Bedouin families, the exploitation of natural resources and other actions against the Palestinian civilian population and the civilian population in the occupied Syrian Golan that are contrary to international law,

Expressing grave concern at the continuation by Israel, the occupying Power, of settlement activities in the Occupied Palestinian Territory, including in East Jerusalem, in violation of international humanitarian law, relevant United Nations resolutions, the agreements reached between the parties and obligations under the Quartet road map, and in defiance of the calls by the international community to cease all settlement activities,

¹ A/HRC/22/63.

² A/67/738.

Expressing grave concern in particular at the construction and expansion by Israel of settlements in and around occupied East Jerusalem, including its so-called E-1 plan, which aims to connect its illegal settlements around and further isolate occupied East Jerusalem, thus threatening the creation of a contiguous Palestinian State, as well as at the continuing demolition of Palestinian homes and eviction of Palestinian families from the city, the revocation of Palestinian residency rights in the city, and ongoing settlement activities in the Jordan Valley,

Expressing grave concern at the continuing construction, contrary to international law, by Israel of the wall inside the Occupied Palestinian Territory, including in and around East Jerusalem, and expressing its concern in particular at the route of the wall in departure from the Armistice Line of 1949, which is causing humanitarian hardship and a serious decline in socioeconomic conditions for the Palestinian people, is fragmenting the territorial contiguity of the Territory and undermining its viability, and could prejudice future negotiations and make the two-State solution physically impossible to implement,

Deeply concerned that the wall's route has been traced in such a way as to include the great majority of the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem,

Deploing settlement activities in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, as well as any activities involving the confiscation of land, the disruption of the livelihood of protected persons, the forced displacement of civilians and the de facto annexation of land,

Gravely concerned at the rising number of incidents of violence, destruction, harassment, provocation and incitement by extremist Israeli settlers in the Occupied Palestinian Territory, including East Jerusalem, against Palestinian civilians, including children, and their properties, including historic and religious sites, and agricultural lands,

Aware of the detrimental impact of the Israeli settlements on Palestinian and other Arab natural resources, especially as a result of the confiscation of land and the forced diversion of water resources, including the destruction of orchards and crops and the seizure of water wells by Israeli settlers, and of the dire socioeconomic consequences in this regard,

Recalling Human Rights Council resolution 22/29 of 22 March 2013, in follow-up to the report of the independent international fact-finding mission to investigate the implications of Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,

Recalling the Guiding Principles on Business and Human Rights,³ which place responsibilities on all business enterprises to respect human rights by, inter alia, refraining from contributing to human rights abuses arising from conflict, and urge States to provide adequate assistance to business enterprises to assess and address the heightened risks of abuses in conflict-affected areas,

Reaffirming the fact that the High Contracting Parties to the Fourth Geneva Convention relative to the Protection of Civilian Persons in Time of War undertook to respect and ensure respect for the Convention in all circumstances, and that States should not recognize an unlawful situation arising from breaches of peremptory norms of international law,

³ A/HRC/17/31, annex.

Emphasizing the importance for States to act in accordance with their own national legislation on promoting compliance with international humanitarian law with regard to business activities that result in human rights abuses,

Expressing its concern at the failure of Israel, the occupying Power, to cooperate fully with the relevant United Nations mechanisms, in particular the Special Rapporteur on the situation of human rights in the Palestinian Territories occupied since 1967,

1. *Reaffirms* that the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan are illegal and an obstacle to peace and economic and social development;

2. *Calls upon* Israel to accept the de jure applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, to the Occupied Palestinian Territory, including East Jerusalem, and to the occupied Syrian Golan, to abide scrupulously by the provisions of the Convention, in particular article 49 thereof, and to comply with all its obligations under international law and cease immediately all actions causing the alteration of the character, status and demographic composition of the Occupied Palestinian Territory, including East Jerusalem, and the occupied Syrian Golan;

3. *Demands* that Israel, the occupying Power, immediately and completely cease all of its settlement activities in all of the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, and calls in this regard for the full implementation of all relevant resolutions of the Security Council, including, inter alia, resolutions 446 (1979) of 22 March 1979, 452 (1979) of 20 July 1979, 465 (1980) of 1 March 1980, 476 (1980) of 30 June 1980 and 1515 (2003) of 19 November 2003;

4. *Demands* that Israel, the occupying Power, comply fully with its legal obligations, as mentioned in the advisory opinion rendered on 9 July 2004 by the International Court of Justice;

5. *Condemns* the continuing settlement and related activities by Israel, including the expansion of settlements, the expropriation of land, the demolition of houses, the confiscation and destruction of property, the expulsion of Palestinians and the construction of bypass roads, which change the physical character and demographic composition of the occupied territories, including East Jerusalem and the Syrian Golan, and constitute a violation of the Fourth Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, and in particular article 49 thereof;

6. *Also condemns* the recent Israeli announcements of the construction of new housing units for Israeli settlers in the West Bank and around occupied East Jerusalem, as they seriously undermine the peace process and jeopardize the ongoing efforts by the international community to reach a final settlement compliant with international legitimacy, including relevant United Nations resolutions, constitute a threat to the two-State solution and the creation of a contiguous, sovereign, independent Palestinian State, and are in violation of international law and would entail the forced transfer of Palestinian civilians, and calls upon the Government of Israel to immediately reverse its decisions;

7. *Expresses its grave concern* at:

(a) The increasing number of newly built structures over the past years and to date, undermining the efforts of the international community to advance the Middle East peace process;

(b) The implications for the final status negotiations of Israel's announcement that it will retain the major settlement blocks in the Occupied Palestinian Territory, including the settlements located in the Jordan Valley;

(c) The expansion of Israeli settlements and the construction of new ones on the occupied Palestinian territory rendered inaccessible behind the wall, which create a fait accompli on the ground that could well be permanent, in which case, it would be tantamount to de facto annexation;

(d) The operation by Israel of a tramway between West Jerusalem and the Israeli settlement of Pisgat Zeev, which is in clear violation of international law and relevant United Nations resolutions;

8. *Calls upon* Israel, the occupying Power:

(a) To reverse the settlement policy in the occupied territories, including East Jerusalem and the Syrian Golan, and, as a first step towards their dismantlement, to stop immediately the expansion of existing settlements, including so-called natural growth and related activities, prevent any new installation of settlers in the occupied territories, including in East Jerusalem, and discard its E-1 plan;

(b) To immediately cease construction of the new illegal settlement highway (the "Begin Highway") in the neighbourhood of Beit Safafa in occupied East Jerusalem, which is in clear violation of international law;

(c) To put an end to the human rights violations linked to the presence of settlements, especially of the right to self-determination, and fulfil its international obligations to provide effective remedy for victims;

(d) To take immediate measures to prohibit and eradicate all policies or practices that discriminate against and disproportionately affect the Palestinian population in the Occupied Palestinian Territory, including East Jerusalem, by, inter alia, putting an end to the system of separate roads for the exclusive use of Israeli settlers, who reside illegally in the said territory, to the complex combination of movement restrictions consisting of the wall, roadblocks and a permit regime that only affects the Palestinian population, and to the application of a two-tier legal system;

(e) To put an end to measures resulting in the territorial fragmentation of the Occupied Palestinian Territory, including East Jerusalem, and which are isolating Palestinian communities into separate enclaves;

(f) To take and implement serious measures, including confiscation of arms and enforcement of criminal sanctions, with the aim of ensuring full accountability for, and preventing, all acts of violence by Israeli settlers, and to take other measures to guarantee the safety and protection of Palestinian civilians and Palestinian properties in the Occupied Palestinian Territory, including East Jerusalem;

(g) To bring a halt to all actions, including those perpetrated by Israeli settlers, harming the environment, including the dumping of all kinds of waste materials in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, which gravely threaten their natural resources, namely water and land resources, and which pose an environmental, sanitation and health threat to the civilian populations;

9. *Welcomes* the adoption of the European Union Guidelines on the eligibility of Israeli entities and their activities in the territories occupied by Israel since June 1967 for grants, prizes and financial instruments funded by the European Union from 2014 onwards;

10. *Encourages* all States and international organizations to continue to actively pursue policies that ensure respect of their obligations under international law with regard to all illegal Israeli practices and measures in the Occupied Palestinian Territory, including East Jerusalem, particularly Israeli settlements;

11. *Urges* all States:

(a) To ensure that they are not taking actions that assist the expansion of settlements or construction of the wall in the Occupied Palestinian Territory, including East Jerusalem;

(b) To implement the Guiding Principles on Business and Human Rights in relation to the Occupied Palestinian Territory, including East Jerusalem, and to take appropriate measures to encourage businesses domiciled in their territory and/or under their jurisdiction, including those owned or controlled by them, to refrain from committing or contributing to gross human rights abuses of Palestinians, in accordance with the expected standard of conduct in the Guiding Principles and relevant international laws and standards;

(c) To provide guidance and information to individuals and businesses of the financial, reputational and legal risks, as well as the possible abuses of the rights of individuals, of getting involved in settlement-related activities, including economic and financial activities, the provision of services in settlements and the purchasing of property;

12. *Requests* that all parties concerned, including United Nations bodies, implement and ensure the implementation of the recommendations contained in the report of the independent international fact-finding mission to investigate the implications of Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem, and endorsed by the Human Rights Council through its resolution 22/29, in accordance with their respective mandates;

13. *Calls upon* the relevant United Nations bodies to take all necessary measures and actions within their mandates to ensure full respect for and compliance with Human Rights Council resolution 17/4 of 16 June 2011, on the Guiding Principles on Business and Human Rights and other relevant international laws and standards, and to ensure the implementation of the United Nations “Protect, Respect and Remedy” Framework, which provides a global standard for upholding human rights in relation to business activities that are connected with Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem;

14. *Welcomes* the decision of the Working Group on the issue of human rights and transnational corporations and other business enterprises to issue a statement before the twenty-sixth session of the Human Rights Council as an important step in accordance with the request made to it by the Council in its resolution 22/29 in relation to all business operations relating to Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem;

15. *Requests* the United Nations High Commissioner for Human Rights to present a report detailing the implementation of the recommendations contained in the report of the independent fact-finding mission on the implications of Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian People throughout the Occupied Palestinian Territory, including East Jerusalem, to the Human Rights Council at its twenty-eighth session;

16. *Requests* the Secretary-General to report on the implementation of the present resolution at its twenty-eighth session;

17. *Decides* to remain seized of the matter.
