## Subsidiary Body for Scientific and Technological Advice

Thirty-ninth session

Warsaw, 11–16 November 2013

Item 2(a) of the provisional agenda

**Organizational matters**

**Adoption of the agenda**

### Provisional agenda and annotations

#### Note by the Executive Secretary

#### Addendum

## I. Introduction

1. Since the distribution of document FCCC/SBSTA/2013/4, containing the provisional agenda and annotations for the thirty-ninth session of the Subsidiary Body for Scientific and Technological Advice (SBSTA), a Party has requested that a matter be taken up under item 16 of the provisional agenda, “Other matters”. This addendum to the annotations has been issued in the interests of transparency so that all Parties are aware of the request.

## II. Annotations to the provisional agenda

### 16. Other matters

2. *Background:* Brazil, by way of a communication dated 19 September 2013, proposed that the issue “Development of a reference methodology on historical responsibilities by the Intergovernmental Panel on Climate Change to guide domestic consultations for the Ad Hoc Working Group on the Durban Platform for Enhanced Action 2015 agreement” be considered under item 16 of the provisional agenda, “Other matters”. Background information relating to the proposal is available on the UNFCCC website.<sup>1</sup> Any other matters arising during the session will also be taken up under this agenda item.

3. *Action:* The SBSTA will be invited to consider this issue and to take any action it deems appropriate.
