4. *Acknowledges* the work of UNICEF to date in countries transitioning from middle-income to high-income status and invites UNICEF to work with relevant countries to prepare country programme documents or multi-country programme documents for consideration and decision by the Executive Board, taking into account national contexts of countries for which these documents are developed and other relevant issues, including financial sustainability;

5. *Reiterates* the UNICEF formula for allocation of resources,<sup>1</sup> which directs the majority of regular resources to sub-Saharan Africa and least developed countries;

6. *Decides* to revisit this decision in the context of the midterm review of the Strategic Plan, and invites UNICEF to present an analysis for the consideration of the Executive Board on existing experience in high-income countries and middle-income countries transitioning to high-income status as part of the preparation of the midterm review of the Strategic Plan.
