of United Nations documents and publications.

Included in the annual subscription to the United Nations Documents Index. Also available separately from United Nations, Sales Section, New York or Geneva, or from bookstores and distributors throughout the world (\$U.S. 4.00, or equivalent in other currencies).

The Cumulative Checklist contains a bibliographical description of United Nations documents and publications received and indexed by the Index Section of the Dag Hammarskjold Library in 1964. It is arranged by series symbols and contains, at the end, a list of United Nations periodicals published in 1964.

The Cumulative Checklist will be followed by a Cumulative Index of which Part 1 is now in preparation for distribution later in 1965.

General Introduction

SCOPE

1. This Cumulative Index, prepared by the Index Section of the Dag Hammarskjöld Library, United Nations, New York, replaces and supersedes - together with the Cumulative Checklist, published in a separate companion volume - the monthly issues of the United Nations Documents Index.

ARRANGEMENT

2. The Cumulative Index consists of two parts issued separately. Part 1 is a consolidation of the twelve monthly subject indexes. Part 2 contains the following sections:

- (a) A consolidated list by symbol of all documents and publications issued by the United Nations, including the International Court of Justice, received by the Library during the year, with an indication of the languages in which they were issued;
- (b) A consolidated list of mimeographed documents republished in the printed Official Records and in other publications;
- (c) A list of sales publications;
- (d) A list of new document series symbols;
- (e) A list of libraries and United Nations Information Centres receiving United Nations material.

Where considered necessary, additional explanatory notes introduce the sections.

MONTHLY ISSUES

3. Each monthly issue of the United Nations Documents Index includes in general the documents and publications processed by the Index Section during the month. The issues of July and August are combined in one issue. Periodicals are listed annually in the Cumulative Checklist.

4. Each issue comprises three separate sections that can be used independently. The first section is a checklist of United Nations documents and publications, arranged by symbol and fully described bibliographically. The second section comprises: (a) a list by symbol only of all United Nations documents received by the Library during the preceding month, with indication of the languages in which they were issued, and notes concerning their availability for distribution. It should be noted that this list includes

language editions of all documents and publications as they are received and is not necessarily limited to those processed and entered in the Checklist; (b) a list of mimeographed documents republished in the printed Official Records and in other publications; (c) a list of sales publications. The third section is a combined author-subject index to the documents described in the Checklist. It is printed on a detachable yellow fascicle and can be removed and used independently of the Checklist.

CUMULATIVE EDITIONS

5. Beginning with vol. 14 (1963) the monthly issues are superseded at the end of the year by two separate annual cumulations, the Cumulative Checklist and the Cumulative Index.

AVAILABILITY OF DOCUMENTS AND PUBLICATIONS

6. Information concerning the documentation system of the United Nations and the availability of the documents is given each year in the January issue in the introductory note preceding the Checklist of Documents and Publications and on page 1 of the Cumulative Checklist. A list of libraries and Information Centres receiving United Nations material is included each year in the Cumulative Index, Part 2.

7. An asterisk (*) is used to indicate documents issued as drafts or preliminary texts subject to revision, or issued in provisional (mimeographed) editions subject to later publication in the printed Official Records or as printed sales publications. These preliminary or provisional documents are not for general distribution, deposit or sale.

SUBSCRIPTION

8. The United Nations Documents Index is published monthly at an annual subscription rate of U.S. \$10.00 (or equivalent in other currencies), post-free, and including the two annual cumulations. Single copies are available at U.S. \$0.75. The annual cumulations are also available separately as sales publications. Subscriptions may be placed with the sales agents of United Nations publications. Orders and inquiries from countries without a sales agent may be addressed to the Sales Section, United Nations, New York, N.Y. 10017, or to the Sales Section, United Nations Office, Geneva, Switzerland.

LIST OF NEW DOCUMENT SERIES SYMBOLS

GENERAL

1. Symbols of United Nations documents are composed of capital letters combined with numerals, usually Arabic. When Roman numerals are used they usually indicate the number of the session. The oblique stroke (/) is used to separate the components of the symbol.

2. Each mimeographed document bears the same symbol and date in each language edition. If a document is republished in the printed Official Records or as a sales publication it retains its symbol. In addition to symbols, sales publications also carry a sales number.

Documents relating to two or more organs may bear two or more symbols, one for each organ.

BASIC SERIES SYMBOLS

3. The basic series of the five principal organs are:

A/-	General Assembly
S/-	Security Council
E/-	Economic and Social Council
T/-	Trusteeship Council
ST/-	Secretariat

4. The International Court of Justice is an autonomous organ with respect to the publication and distribution of its publications. It does not issue documents with symbols. Short-title citations of each Court series begins with the initials of the Court, e.g., ICJ Reports and CIJ Recueil.

5. Special basic series symbols have also been established for certain subsidiary organs, e.g.:

AEC/-	Atomic Energy Commission, 1946-1952
AT/-	United Nations Administrative Tribunal
DC/-	Disarmament Commission
MSC/-	Military Staff Committee
SF/-	United Nations Special Fund

6. Most of the documentation of the subsidiary organs bears a symbol consisting of the basic series symbol of the parent body plus one or more of the following elements:

-/AC.-/-	Ad hoc committee, or similar body
-/C.-/-	Standing, permanent, main committee
-/CN.-/-	Commission
-/CONF.-/-	Conference
-/PC/-	Preparatory committee
-/SC.-/-	Sub-committee
-/Sub.-/-	Sub-commission
-/WP.-/-	Working party

Basic series of subsidiary organs are usually numbered in the order of establishment or convocation of the organ, e.g.: A/C.1/-, A/C.2/-, etc.; E/AC.50/-, E/AC.51/-, etc.; E/CONF.45/-, E/CONF.46/-, etc.

7. The basic series symbol for some subsidiary organs is formed by adding to the basic series symbol of the parent body the acronym of the subsidiary organ. Such

exceptions include, among others, the series of the Special Political Committee (A/SPC/-), the Economic Commission for Europe (E/ECE/-), the United Nations Children's Fund (E/ICEF/-), the Drug Supervisory Body (E/DSB/-), the Technical Assistance Committee of the Economic and Social Council (E/TAC/-).

8. Each department and office of the Secretariat is identified by its basic series symbol, e.g., the Executive Office of the Secretary General (ST/SG/-), the Office of Legal Affairs (ST/LEG/-), the Department of Political and Security Council Affairs (ST/PSCA/-).

SUB-SERIES

9. The following elements are added to the basic series symbols to denote the nature of the documents:

-/Agenda/-	Agenda series
-/Calendar/-	Calendar series
-/CR.-	Communications from non-governmental organizations or individuals
-/CRD/-	Conference room documents
-/G/-	Communications from Governments
-/INF.-	Information series
-/MIN.-	Minutes
-/Misc.-	Miscellaneous documents
-/NC/-	Communications received from private and non-governmental organizations. The element/NC/ is used only in the Security Council series
-/NGO/-	Statements by non-governmental organizations
-/P/-	Papers
-/PET.-	Petitions
-/PV.-	Verbatim records of meetings (Procès-verbaux)
-/RES/-	Mimeographed texts of adopted resolutions (the mimeographed or versions are subsequently superseded by the printed texts)
-/RESOLUTION/-	
-/SN.-	Summary notes
-/SR.-	Summary records of meetings
-/STA/-	Statements

10. The documentation relating to the Trust Territories in the T/- series has been organized in the following sub-series:

T/PET.1/-, T/PET.2/-, etc.	Petitions
T/COM.1/-, T/COM.2/-, etc.	Communications
T/OBS.1/-, T/OBS.2/-, etc.	Observations of the Administering Authority on petitions and communications

Each sub-series is numbered in sequence, the number denoting the Trust Territory. Thus, T/PET.1/- denotes petitions concerning the Trust Territory of Western Samoa, T/COM.2/- denotes communications received from the

SERIES SYMBOLS

then Trust Territory of Tanganyika, T/OBS.3/- concerns the observations of the Administering Authority of the then Trust Territory of Ruanda-Urundi, etc.

11. The documentation referring to the manufacture, laws and regulations, reports of seizures, and reports of Governments concerning narcotic drugs is issued in the following sub-series of the E/- series: E/NF.-, E/NL.-, E/NM.-, E/NR.-, E/NS.-, E/NT.-. Information is classified according to the year received, e.g.: E/NF.1955/-; E/NL.1958/-; E/NR.1956/-; E/NS.1954/-; etc.

ELEMENTS DENOTING MODIFICATIONS OF THE TEXT

12. To indicate modifications of the text of the main document the following elements are used:

- | | | |
|----------|-------------|---|
| -/Add.- | Addendum | (Indicates an addition of text to the main document) |
| -/Corr.- | Corrigendum | (Corrects errors in the text of the main document and also in date, title, symbol or distribution category) |

- | | | |
|---------|----------|---|
| -/Rev.- | Revision | (Denotes new versions of the same document superseding and replacing texts previously issued) |
|---------|----------|---|

CATEGORIES OF DISTRIBUTION

13. The letter "L" appearing before the serial number denotes documents of limited distribution, which are usually documents of a provisional nature, such as draft resolutions and amendments thereto and similar action documents. The letter "R" appearing before the serial number denotes documents of restricted distribution, the contents of which require that they be treated as confidential, i.e., withheld from public circulation. Documents receiving full distribution carry the word GENERAL above the symbol.

LIST OF DOCUMENT SERIES SYMBOLS

14. A list of document series symbols was issued in January 1965 under the symbol ST/LIB/SER.B/5/Rev.1 (Sales no.: 65.I.6).

15. Corrigenda and addenda to that list up to December 1964 follow.

LIST OF LIBRARIES AND INFORMATION CENTRES RECEIVING UNITED NATIONS MATERIAL

NOTE: This list supersedes the list of libraries and information centres contained in Part 2 of the 1963 Cumulative Index.

LIBRARIES

1. The libraries in this list receive material published by the United Nations for the General Assembly and its subsidiary bodies, for the three Councils and their subsidiary organs, and for the Secretariat. (Because the Registry of the International Court of Justice, The Hague, is autonomous in respect of depositary and sales arrangements for Court publications, no indication is made here to specify libraries receiving them. Generally speaking, however, Court depositaries include United Nations depositary libraries.) The libraries listed receive their material

- (a) free, as depositary libraries, or
- (b) by paid subscription through the Sales Section, or
- (c) by paid subscription to the microprint edition in English published by the Readex Microprint Corporation, New York, or
- (d) by exchange of publications, or
- (e) as official United Nations Information Centres/Services.

2. Libraries which subscribe or exchange selectively for less than all the Official Records of the General Assembly and the three Councils are not included in the list. The library of the Department of External Relations has been omitted under each country unless the Government (e.g., Norway) has requested its inclusion in the list as a library open to the public.

3. Depositary libraries are identified in the first left-hand column of the list by letter "D"; parliamentary depositary libraries (some of which may not be open to the public) are identified by letters "PD".

RECEIPT OF LIBRARIES: PRINTED PUBLICATIONS

4. Most libraries receive printed publications only. Of these libraries, those which receive only the Official

Records are identified in the second left-hand column by the letter "O".

MIMEOGRAPHED DOCUMENTS

5. Libraries are designated by the letter "M" if, in addition to the mimeographed documents issued by the regional economic commission in whose area they are situated, they receive most other mimeographed documents. It should be noted that the bulk of the documents and all of the meeting records remain permanently in mimeographed form in the series of the non-sessional committees of the General Assembly, of all of the committees of the three Councils, of all series of the functional commissions and regional economic commissions of the Economic and Social Council; and that this is likewise so of the series of petitions and communications to the Trusteeship Council and the observations thereon of the Administering Authorities. For this reason, inquirers for such material should be referred only to libraries listed as receiving it (M).

The reports of commissions to the Economic and Social Council, the reports of committees to the three Councils and the reports of non-sessional committees to the General Assembly will appear in the respective printed Official Records, as supplements or in the annexes. Inquirers for whom such reports are sufficient may be referred to any library receiving printed material, including those listed as receiving at least the Official Records (O).

UNITED NATIONS INFORMATION CENTRES/SERVICES

6. Included in the list are all United Nations Information Centres/Services existing as of 31 May 1965 established outside the Headquarters and the United Nations Office at Geneva. The year of establishment for each centre is given in square brackets ([]). The centres vary considerably in size of collections and extent of services available to the public.
