Third International Conference on Financing for Development

Addis Ababa, 13-16 July 2015

Information for participants

Note by the Secretariat

I. Background

By its resolution 68/204, the General Assembly decided to convene a third international conference on financing for development with the following scope: to assess the progress made in the implementation of the Monterrey Consensus and the Doha Declaration; to reinvigorate and strengthen the financing for development follow-up process; to identify obstacles and constraints encountered in the achievement of the goals and objectives agreed therein, as well as actions and initiatives to overcome those constraints; and to address new and emerging issues, including in the context of the recent multilateral efforts to promote international development cooperation, taking into account the current evolving development cooperation landscape, the interrelationship of all sources of development finance, the synergies between financing objectives across the three dimensions of sustainable development, as well as the need to support the United Nations development agenda beyond 2015. By its resolution 68/279, the Assembly decided that the Conference would be held from 13 to 16 July 2015 in Addis Ababa at the highest possible political level and result in an intergovernmentally negotiated and agreed outcome. For accreditation to the Conference, official delegations must go through their respective permanent or observer missions and offices in New York, which have already been registered with the e-Accreditation system. Delegations are strongly advised to coordinate with their respective missions or offices in New York for timely submission of accreditation requests. For detailed accreditation procedures, please visit the website of the Service (www.un.int/protocol).

- 25. On-site accreditation of delegates of States, intergovernmental organizations and associate members of regional commissions, as well as specialized agencies and related organizations, will be processed by the Protocol Accreditation Unit in Addis Ababa. - 27. As from 9 July, all official communications, including lists of delegations and Conference-related materials, should be faxed to the Protocol Accreditation Unit at the accreditation centres specified above. The fax numbers of the two locations will be made available and posted on the website of the Protocol and Liaison Service (www.un.int/protocol) by 26 June.
