Gravely concerned by reports regarding serious human rights violations and grave breaches of international humanitarian law, including possible war crimes, committed in the context of the military operations conducted in the Occupied Palestinian Territory in 2008 and 2009 and in 2014, particularly in the Gaza Strip, including the findings of the United Nations Fact-Finding Mission on the Gaza Conflict, of the independent commission of inquiry on the 2014 Gaza conflict, and of the boards of inquiry convened by the Secretary-General,

Stressing the urgency of achieving without delay an end to the Israeli occupation that began in 1967,
