Gravely concerned about the extremely difficult socioeconomic conditions being faced by the Palestine refugees in the Occupied Palestinian Territory, including East Jerusalem, particularly in the refugee camps in the Gaza Strip, as a result of the recurrent military operations, continuing prolonged Israeli closures, the construction of settlements and the wall, and the severe economic and movement restrictions that in effect amount to a blockade, which have deepened unemployment and poverty rates among the refugees, with potentially lasting, long-term negative effects, while taking note of developments with regard to the situation of access there,

Deploring the conflict in and around the Gaza Strip in July and August 2014, and the civilian casualties caused, including the killing and injury of thousands of Palestinian civilians, including children, women and the elderly, as well as the widespread destruction of or damage to thousands of homes and civilian infrastructure, including schools, hospitals, water, sanitation and electricity networks, economic, industrial and agricultural properties, public institutions, religious sites and United Nations schools and facilities, as well as the internal displacement of hundreds of thousands of civilians, and any violations of international law, including humanitarian and human rights law, in this regard,

Deploring also attacks affecting United Nations installations, including Agency schools sheltering displaced civilians, and all other breaches of the inviolability of United Nations premises during the conflict in the Gaza Strip in July and August 2014, as reported in the summary by the Secretary-General of the report of the Board of Inquiry⁸ and by the independent international commission of inquiry established pursuant to Human Rights Council resolution S-21/1 of 23 July 2014, and stressing the imperative of ensuring accountability,

Stressing that the situation in the Gaza Strip is unsustainable and that a durable ceasefire agreement must lead to a fundamental improvement in the living conditions of the Palestinian people in the Gaza Strip, including through the sustained and regular opening of crossing points, and must ensure the safety and well-being of civilians on both sides,

Affirming the need to support the Palestinian national consensus government in its assumption of full government responsibilities in both the West Bank and the Gaza Strip, in all fields, as well as through its presence at Gaza's crossing points,

Noting with appreciation the progress made towards rebuilding the Nahr el-Bared refugee camp, commending the Government of Lebanon, donors, the Agency and other concerned parties for the continuing efforts to assist affected and displaced refugees, and emphasizing the need for additional funding to complete the reconstruction of the camp and end without delay the displacement from the camp of thousands of residents whose shelters have not been rebuilt,

Expressing deep concern at the critical situation of Palestine refugees in the Syrian Arab Republic and at the impact of the crisis on the Agency's ability to deliver its services, and regretting profoundly the loss of life among refugees and the killing of 14 staff members of the Agency in the crisis since 2012,

Affirming the need for accountability and compensation to victims of violations of international law in accordance with international standards by all sides,

Deeply concerned about the continuing imposition of restrictions on the freedom of movement and access of the Agency's staff, vehicles and goods, and the injury, harassment and intimidation of the Agency's staff, which undermine and obstruct the work of the Agency, including its ability to provide essential basic and emergency services,
