Draft resolution I **United Nations regional centres for peace and disarmament**

The General Assembly,

Recalling its resolutions 60/83 of 8 December 2005, 61/90 of 6 December 2006, 62/50 of 5 December 2007, 63/76 of 2 December 2008, 64/58 of 2 December 2009, 65/78 of 8 December 2010, 66/53 of 2 December 2011, 67/63 of 3 December 2012, 68/57 of 5 December 2013 and 69/70 of 2 December 2014 regarding the maintenance and revitalization of the three United Nations regional centres for peace and disarmament,

Recalling also the reports of the Secretary-General on the United Nations Regional Centre for Peace and Disarmament in Africa,¹ the United Nations Regional Centre for Peace and Disarmament in Asia and the Pacific² and the United Nations Regional Centre for Peace, Disarmament and Development in Latin America and the Caribbean,³

Reaffirming its decision, taken in 1982 at its twelfth special session, to establish the United Nations Disarmament Information Programme, the purpose of which is to inform, educate and generate public understanding and support for the objectives of the United Nations in the field of arms control and disarmament,

Bearing in mind its resolutions 40/151 G of 16 December 1985, 41/60 J of 3 December 1986, 42/39 D of 30 November 1987 and 44/117 F of 15 December 1989 on the regional centres for peace and disarmament in Nepal, Peru and Togo,

Recognizing that the changes that have taken place in the world have created new opportunities and posed new challenges for the pursuit of disarmament, and bearing in mind in this regard that the regional centres for peace and disarmament can contribute substantially to understanding and cooperation among States in each particular region in the areas of peace, disarmament and development,

Noting that, in paragraph 178 of the Final Document of the Sixteenth Conference of Heads of State or Government of Non-Aligned Countries, held in Tehran on 30 and 31 August 2012,⁴ the Heads of State or Government emphasized the importance of United Nations activities at the regional level to increase the stability and security of its Member States, which could be promoted in a substantive manner by the maintenance and revitalization of the three regional centres for peace and disarmament,

1. *Reiterates* the importance of United Nations activities at the regional level to advance disarmament and to increase the stability and security of its Member

States, which could be promoted in a substantive manner by the maintenance and revitalization of the three regional centres for peace and disarmament;

2. *Reaffirms* that, in order to achieve positive results, it is useful for the three regional centres to carry out dissemination and educational programmes that promote regional peace and security and that are aimed at changing basic attitudes with respect to peace and security and disarmament so as to support the achievement of the purposes and principles of the United Nations;

3. *Appeals* to Member States in each region that are able to do so, as well as to international governmental and non-governmental organizations and foundations, to make voluntary contributions to the regional centres in their respective regions in order to strengthen their activities and initiatives;

4. *Emphasizes* the importance of the activities of the Regional Disarmament Branch of the Office for Disarmament Affairs of the Secretariat;

5. *Requests* the Secretary-General to provide all support necessary, within existing resources, to the regional centres in carrying out their programmes of activities;

6. *Decides* to include in the provisional agenda of its seventy-first session, under the item entitled "Review and implementation of the Concluding Document of the Twelfth Special Session of the General Assembly", the sub-item entitled "United Nations regional centres for peace and disarmament".

Draft resolution II

Convention on the Prohibition of the Use of Nuclear Weapons

The General Assembly,

Convinced that the use of nuclear weapons poses the most serious threat to the survival of mankind,

Bearing in mind the advisory opinion of the International Court of Justice of 8 July 1996 on the legality of the threat or use of nuclear weapons,¹

Convinced that a multilateral, universal and binding agreement prohibiting the use or threat of use of nuclear weapons would contribute to the elimination of the nuclear threat and to the climate for negotiations leading to the ultimate elimination of nuclear weapons, thereby strengthening international peace and security,

Conscious that some steps taken by the Russian Federation and the United States of America towards a reduction of their nuclear weapons and the improvement in the international climate can contribute towards the goal of the complete elimination of nuclear weapons,

Recalling that in paragraph 58 of the Final Document of the Tenth Special Session of the General Assembly² it is stated that all States should actively participate in efforts to bring about conditions in international relations among States in which a code of peaceful conduct of nations in international affairs could be agreed upon and which would preclude the use or threat of use of nuclear weapons,

Reaffirming that any use of nuclear weapons would be a violation of the Charter of the United Nations and a crime against humanity, as declared in its resolutions 1653 (XVI) of 24 November 1961, 33/71 B of 14 December 1978, 34/83 G of 11 December 1979, 35/152 D of 12 December 1980 and 36/92 I of 9 December 1981,

Determined to achieve an international convention prohibiting the development, production, stockpiling and use of nuclear weapons, leading to their ultimate destruction,

Stressing that an international convention on the prohibition of the use of nuclear weapons would be an important step in a phased programme towards the complete elimination of nuclear weapons, with a specified framework of time,

Noting with regret that the Conference on Disarmament, during its 2015 session, was unable to undertake negotiations on this subject as called for in General Assembly resolution 69/69 of 2 December 2014,

1. *Reiterates its request* to the Conference on Disarmament to commence negotiations in order to reach agreement on an international convention prohibiting the use or threat of use of nuclear weapons under any circumstances;

2. *Requests* the Conference on Disarmament to report to the General Assembly on the results of those negotiations.

Noting that security, disarmament and development issues have always been recognized as significant topics in Latin America and the Caribbean, the first inhabited region in the world to be declared a nuclear-weapon-free zone,

Emphasizing the importance of maintaining the support provided by the Regional Centre for strengthening the nuclear-weapon-free zone established by the Treaty for the Prohibition of Nuclear Weapons in Latin America and the Caribbean (Treaty of Tlatelolco),⁴ as well as its efforts in promoting peace and disarmament education,
