PROPOSED PROGRAMME BUDGET FOR THE BIENNIUM 1980-1981

HUMAN SETTLEMENTS

Administrative and financial implications of the draft resolution  
contained in document A/C.2/34/L.68

1. In a note by the Chairman the statement of financial implications appearing in document A/C.2/34/L.82 is indicated as being placed before the Fifth Committee for its consideration.
2. The information appearing in A/C.2/34/L.82, paragraph 6, should be amended to reflect a revised level of requirement of \$US 410,200 arising under Section 19 of the regular budget in respect of the biennium 1980-1981, should the General Assembly adopt the draft resolution appearing in document A/C.2/34/L.68. Additional requirements of \$US 81,500 under Section 31 in respect of staff assessment would also arise but be fully offset by increases under Income from staff assessment in Income Section 1.
