4. *Further reaffirms* the obligation of all Member States to bear the expenses of the United Nations, as apportioned by the General Assembly, in conformity with Article 17, paragraph 2, of the Charter of the United Nations;

5. *Reaffirms* that the Committee on Contributions as a technical body is required to prepare the scale of assessments strictly on the basis of reliable, verifiable and comparable data;

6. *Decides* that the scale of assessments for the period from 2016 to 2018 shall be based on the following elements and criteria:

(a) Estimates of gross national income;

(b) Average statistical base period of three and six years;

(c) Conversion rates based on market exchange rates, except where that would cause excessive fluctuations and distortions in the income of some Member States, when price-adjusted rates of exchange or other appropriate conversion rates should be employed, taking due account of its resolution 46/221 B of 20 December 1991;

(d) The debt-burden approach employed in the scale of assessments for the period from 2013 to 2015;

(e) A low per capita income adjustment of 80 per cent, with a threshold per capita income limit of the average per capita gross national income of all Member States for the statistical base periods;

(f) A minimum assessment rate of 0.001 per cent;

(g) A maximum assessment rate for the least developed countries of 0.01 per cent;

(h) A maximum assessment rate of 22 per cent;

7. *Recognizes* that the current methodology can be enhanced, bearing in mind the principle of capacity to pay;

8. *Requests* the Committee on Contributions, in accordance with its mandate and the rules of procedure of the General Assembly, to review and make recommendations on the elements of the methodology of the scale of assessments in order to reflect the capacity of Member States to pay, and to report thereon to the Assembly by the main part of its seventy-third session;

9. *Notes* that there were limitations in the data set available for the preparation of the scale of assessments;

10. *Requests* the Committee on Contributions, in accordance with rule 160 of the rules of procedure of the General Assembly, to consider all relevant data in appeals submitted by Member States that may affect their capacity to pay;

11. *Encourages* Member States to submit national accounts data under the 1993 and the 2008 System of National Accounts on a timely basis;

12. Supports the efforts of the Statistics Division of the Department of Economic and Social Affairs of the Secretariat in supporting statistics at the national level and in providing support to countries and regional organizations to enhance coordination, advocacy and resources for the implementation of the 1993 and the 2008 System of National Accounts;
