REPORT OF THE AD HOC COMMITTEE ON FINANCES OF THE IRO

NOTE BY THE SECRETARIAT

The Secretariat wishes to call attention to the fact that an arithmetic error in the total of the Provisional Operational Budget (E/203, p.5), plus the amendment with respect to the Overseas Chinese stranded abroad on account of the war, brings the total for Part I to \$151,051,000. The amendment with respect to the amount for large-scale resettlement brings the total for Parts I and II of the Operational Budget to \$156,051,000. The individual items making up these totals will, of course, be sent to all Member Governments by the Secretary-General by direction of the Council.
