(E/L.1036)

3. The PRESIDENT proposed that the Council should endorse the suggestions made by the Secretary-General in sections II, III and IV of his note on the agenda for the resumed session (E/L.1036) and that it should consider General Assembly resolution 1922 (XVIII), concerning sessions of the Commission on Human Rights, under item 28 (Calendar of conferences for 1964).

It was so decided.

Order of consideration of agenda items (E/L.1037)

4. Mr. ARKADYEV (Union of Soviet Socialist Republics) thought that the Council should take up items 28, 33, 34 and 40 early in the session.

5. Mr. FRANZI (Italy) suggested that if the Council accepted the General Assembly's invitation to enlarge the Economic Committee, the Social Committee and the Co-ordination Committee of the Council, then the elections to those committees should be held as late as possible in the session.

6. Mr. BINGHAM (United States of America) agreed that the items mentioned by the USSR representative should be taken up at an early stage, but the bulk of the elections should be completed early in the following week.

7. Sir Ronald WALKER (Australia) suggested that the Council should follow the arrangement of business proposed in the note of the Secretariat (E/L.1037).

8. The PRESIDENT said that, in the light of the suggestions made, he would propose the following order of items: 28, 34, 40, 39, 33, 32, 35, 38 and 37.

It was so agreed.

9. In reply to a question from Mr. EL-FARRA (Jordan), the PRESIDENT said he hoped that most of the elections would be completed by Wednesday of the following week, but that the elections to the enlarged Council committees—if such an enlargement was decided upon—might be left until 19 December, the day on which the Council intended to complete its business.
