PART III

Advances to the United Nations Working Capital Fund for 1964

Basis for Member States' advances to the United Nations Working Capital Fund for 1964 :

- A. The General Assembly established the Working Capital Fund for the year ending 31 December 1964 at \$ 40,000,000
(Resolution 1986 (XVIII))

B. Apportionment of the amount of the Working Capital Fund

In operative paragraphs 2 and 3 of resolution 1986 (XVIII) the General Assembly resolved that :

"2. Member States shall make advances to the Working Capital Fund in accordance with the scale adopted by the General Assembly for contributions of Members to the budget for the financial year 1964;

"3. There shall be set off against this allocation of advances :

- (a) The credits accorded to Members from the transfer from surplus account of \$1,079,158 as established at the time of the transfer to the Working Capital Fund;
- (b) The cash advances paid by Members to the Working Capital Fund for the financial year 1963 under General Assembly resolution 1863 (XVII) of 20 December 1962;"

C. Adjustment in advances

As the amount of the Working Capital Fund for 1964 is the same as for 1963, and the credits accorded to Members from the transfer from surplus account of \$1,079,158 remain unchanged, no adjustments in the advances of Member States are required, except the reductions in the advances by Czechoslovakia and Hungary, resulting from the downward revision in their rates of assessments. The adjustments for the two States constitute a reduction in the amount carried as additional to the authorized level of the Fund in respect of the advances to the Fund by New Member States (Resolution 1927 (XVIII)).

The details of the calculation are shown in Part VII, B.

PART IV

Basis of assessment of Member States' contributions to the United Nations

- (b) The \$15,750,000 balance of the amount appropriated in paragraph 2 above among all Member States in accordance with the regular scale of assessments for 1964, except that each economically less developed country shall be assessed an amount calculated at 42.5 per cent of its rate under the regular scale of assessments for 1964; provided that this apportionment shall constitute an ad hoc arrangement for the present phase of this peace-keeping operation, and shall not constitute a precedent for the future;

"4. Decides that, for the purpose of the present resolution, the term "economically less developed countries" shall mean all Member States except Australia, Austria, Belgium, Byelorussian Soviet Socialist Republic, Canada, Czechoslovakia, Denmark, Finland, France, Hungary, Iceland, Ireland, Italy, Japan, Luxembourg, Netherlands, New Zealand, Norway, Poland, Romania, South Africa, Sweden, Ukrainian Soviet Socialist Republic, Union of Soviet Socialist Republics, United Kingdom of Great Britain and Northern Ireland and the United States of America :

"6. Decides that, for the purpose of the present resolution, the term "economically less developed countries" shall mean all Member States except Australia, Austria, Belgium, the Byelorussian Soviet Socialist Republic, Canada, Czechoslovakia, Denmark, Finland, France, Hungary, Iceland, Ireland, Italy, Japan, Luxembourg, the Netherlands, New Zealand, Norway, Poland, Romania, South Africa, Sweden, the Ukrainian Soviet Socialist Republic, the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland and the United States of America;
