LETTER DATED 29 APRIL 1985 FROM THE SECRETARY-GENERAL
ADDRESSED TO THE PRESIDENT OF THE SECURITY COUNCIL

I have the honour to refer to the functioning of the United Nations Disengagement Observer Force (UNDOF) established by the Security Council under its resolution 350 (1974).

The Commander of the Force, Major-General Carl-Gustaf Ståhl, has recently informed me that he is resigning from his post, for personal reasons. In these circumstances, subject to the usual consultations and the extension by the Security Council of the mandate of UNDOF beyond 31 May 1985, it is my intention to appoint Major-General Gustav Hägglund of Finland to the post of Commander of UNDOF with effect from 1 June 1985. The Government of Finland has informed me that it is willing to make General Hägglund available for this purpose.

I should be grateful if you could bring this matter to the attention of the members of the Security Council.

(Signed) Javier PEREZ de CUELLAR
