Identificación del derecho internacional consuetudinario: bibliografía

Sobre el tema de la identificación del derecho internacional consuetudinario se ha escrito mucho y la presente bibliografía no pretende ser exhaustiva.

En la parte A se enumeran escritos relacionados con la identificación del derecho internacional consuetudinario en general, incluidos los libros de texto. La parte B contiene estudios sobre aspectos particulares de la identificación del derecho internacional consuetudinario, que corresponden en parte a cuestiones abordadas en algunos de los proyectos de conclusiones sobre la identificación del derecho internacional consuetudinario. La parte C está dedicada a estudios pertinentes para la identificación del derecho internacional consuetudinario en diferentes ámbitos.

El Relator Especial agradecería recibir sugerencias acerca de otras referencias que podrían incluirse en una bibliografía actualizada que se publicaría cuando se realice la segunda lectura de los proyectos de conclusiones y los comentarios correspondientes.
