**Information circular\***

To: Members of the staff

From: The Assistant Secretary-General for Human Resources Management

Subject: **Revised salary scales for staff in the General Service and related categories at Headquarters**

1. The current procedure for effecting interim adjustments to the salary scales for staff in the General Service and related categories at Headquarters calls for an adjustment in the net salaries of such staff by 90 per cent of the movement of the consumer price index (CPI) for New York, whenever the CPI has increased by 5 per cent or more over the level reached at the time of the previous revision of the salary scale, or every 12 months, whichever comes first.
2. The CPI for the month of October 2007 reflects a 3.09 per cent movement over the October 2006 index. In application of the above-mentioned procedure, the net salaries of staff in the General Service, Language Teacher, Public Information Assistant, Security Service and Trades and Crafts categories will be adjusted upwards by 2.78 per cent, effective 1 November 2007.
3. The amounts of dependency allowances remain unchanged.
4. The amounts of the first and second language allowances will be revised, effective 1 November 2007, to \$2,052 and \$1,026 net per annum, respectively.
5. The revised salary scales, which are contained in the annex to the present circular, will be implemented in the end-December 2007 payroll.

---

\* The present circular, which cancels and supersedes circular ST/IC/2006/53 dated 4 December 2006, will be in effect until further notice.
