Sixteenth session

REPORT OF THE INTERNATIONAL ATOMIC ENERGY AGENCY

Note by the Secretary-General

1. The fifth report of the International Atomic Energy Agency to the General Assembly consists of two documents: the Annual Report of the Board of Governors to the General Conference and a supplement dealing with subsequent developments, including the action taken by the General Conference. The Annual Report of the Board of Governors is presented herewith; the supplement will be transmitted to Members as soon as it is received. The report has been transmitted in accordance with the provision of article III.1 (a) of the Agreement governing the relationship between the United Nations and the International Atomic Energy Agency.^{1/}
2. As only a limited number of copies of this report are available, it has not been possible to make a full distribution. Delegations are therefore requested to have the copies distributed to them available when this item is under consideration during the sixteenth session of the General Assembly.

^{1/} See General Assembly resolution 1145 (XII), annex.
