UNITED NATIONS LIBRARY

Report of the Fifth Committee

Rapporteur: Mr. Antonio ARRAIZ (Venezuela)

1. At its 868th meeting, held on 31 October 1961, the Fifth Committee considered a report of the Secretary-General (A/4938) on matters relating to the United Nations Library: in particular, the anticipated completion of the new building in time for its dedication on 16 November 1961; the use of the Library services; the development of the collections; and budgetary questions affecting the Library.
2. As the report does not call for specific action on the part of the General Assembly, the Committee decided, without objection, to recommend to the Assembly the adoption of the following draft resolution:

UNITED NATIONS LIBRARY

The General Assembly

Takes note of the report of the Secretary-General on the United Nations Library (A/4938).
