## DIPLOMATIC INTERCOURSE AND IMMUNITIES

Financial implications of the draft resolution recommended  
by the Sixth Committee (A/C.6/L.461)

Thirty-third report of the Advisory Committee on  
Administrative and Budgetary Questions to the  
General Assembly at its fourteenth session

1. The Advisory Committee on Administrative and Budgetary Questions has considered the statement of financial implications (A/C.5/805) which the Secretary-General has recommended in respect of the draft resolution (A/C.6/L.461) proposed by the Sixth Committee on the question of diplomatic intercourse and immunities.
2. Under the draft resolution, the General Assembly would request the Secretary-General to call at Vienna not later than the spring of 1961 an international conference of plenipotentiaries to consider the question of diplomatic intercourse and immunities and to embody the results of its work in an international convention, together with such ancillary instruments as may be necessary.
3. The estimate submitted by the Secretary-General for a conference of eight weeks' duration, to be held at Vienna in March-April 1961, amounts to \$202,000, of which some \$130,000 would represent extra costs which would fall to be reimbursed by the Austrian Government in accordance with the provisions of General Assembly resolution 1202 (XII) of 13 December 1957. There would be no expenditure in 1960, and the Secretary-General has suggested that, should the draft resolution be adopted, he would make appropriate provision in the budget estimates for 1961.
4. The Advisory Committee would, of course, consider the details of the estimates in conjunction with its examination, in the summer of 1960, of the budget estimates for 1961. Meanwhile, the Committee would recommend that the Fifth Committee might

advise the General Assembly that the adoption of the draft resolution would entail an expenditure of about \$200,000, of which some \$130,000 would be reimbursed by the host Government in accordance with resolution 1202 (XII).
