SPECIAL COMMITTEE ON REFUGEES AND DISPLACED PERSONS

REPORT OF THE AD HOC SUB-COMMITTEE
FOR THE EXAMINATION OF CORRESPONDENCE.

Rapporteur: DR. HERRERA-BAEZ

The following text is an excerpt from the statement made by the Rapporteur, DR. HERRERA-BAEZ (Dominican Republic) in presenting the report to the Committee. It is to be added to the report by way of introduction.

"It was the task of the ad hoc Sub-Committee for the examination of correspondence to examine the reports and memoranda submitted by various organizations concerned with the refugee problem, and to report to the Committee anything that might be of interest. In fulfilling this task, the Sub-Committee had always in mind that it had not been called on to pronounce on the merits or demerits of the suggestions made in the documents examined. Its mandate was merely to see whether any particular suggestion was within the terms of reference of the Special Committee, or not. Accordingly, the ad hoc Sub-Committee has not made any recommendations on the substance of the suggestions noted in the report."
