Comprehensive Nuclear-Test-Ban Treaty

The General Assembly,

Reiterating that the cessation of nuclear-weapon test explosions or any other nuclear explosions constitutes an effective nuclear disarmament and non-proliferation measure, and convinced that this is a meaningful step in the realization of a systematic process for achieving nuclear disarmament,

Recalling that the Comprehensive Nuclear-Test-Ban Treaty, adopted by the General Assembly by its resolution [50/245](#) of 10 September 1996, was opened for signature on 24 September 1996,

Stressing that a universal and effectively verifiable Treaty constitutes a fundamental instrument in the field of nuclear disarmament and non-proliferation and will be a major contribution to international peace and security,

Stressing also the vital importance and urgency of achieving the entry into force of the Treaty, as noted also in Security Council resolution [2310 \(2016\)](#) of 23 September 2016, and affirming its resolute determination, 20 years after the Treaty was opened for signature, to achieve its entry into force,

* Reissued for technical reasons on 21 October 2016.

Encouraged by the signing of the Treaty by 183 States, including 41 of the 44 whose ratification is needed for its entry into force, and welcoming the ratification of the Treaty by 166 States, including 36 of the 44 whose ratification is needed for its entry into force, among which there are 3 nuclear-weapon States,

Recalling its resolution [70/73](#) of 7 December 2015,

Recalling also the adoption by consensus of the conclusions and recommendations for follow-on actions of the 2010 Review Conference of the Parties to the Treaty on the Non-Proliferation of Nuclear Weapons,¹ in which the Conference, inter alia, reaffirmed the vital importance of the entry into force of the Comprehensive Nuclear-Test-Ban Treaty as a core element of the international nuclear disarmament and non-proliferation regime and included specific actions to be taken in support of the entry into force of the Treaty,

Welcoming the 20 Years CTBT Ministerial Meeting, held in Vienna on 13 and 14 June 2016, which brought together leaders and policymakers to review and reinvigorate efforts to achieve the entry into force of the Treaty,

Welcoming also the Final Declaration adopted by the ninth Conference on Facilitating the Entry into Force of the Comprehensive Nuclear-Test-Ban Treaty, held in New York on 29 September 2015, convened pursuant to article XIV of the Treaty, and *recalling* the Joint Ministerial Statement on the Comprehensive Nuclear-Test-Ban Treaty, adopted at the ministerial meeting held in New York on 21 September 2016,²

Noting that the group of eminent persons, established to support the article XIV process, met in Vienna on 14 June 2016, where they called for new thinking and further engagement with the leadership of the remaining eight annex 2 States with the aim of facilitating their respective ratification processes,

Noting also the establishment in early 2016 of a youth group open to all students and young graduates who are directing their careers towards contributing to global peace and security and who wish to actively engage in promoting the Treaty and its verification regime,

Welcoming continuing progress in the development of the Treaty's verification regime, which advances the Treaty's primary non-proliferation and disarmament objective,

1. *Stresses* the vital importance and urgency of signature and ratification, without delay and without conditions, in order to achieve the earliest entry into force of the Comprehensive Nuclear-Test-Ban Treaty;³

2. *Welcomes* the contributions by the signatory States to the work of the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization, in particular its efforts to ensure that the verification regime of the Treaty will be capable of meeting the verification requirements of the Treaty upon

4. *Urges* all States not to carry out nuclear-weapon test explosions or any other nuclear explosions, to maintain their moratoriums in this regard and to refrain from acts that would defeat the object and purpose of the Treaty, while stressing that these measures do not have the same permanent and legally binding effect as the entry into force of the Treaty;

5. *Strongly condemns* the nuclear tests conducted by the Democratic People's Republic of Korea on 6 January and 9 September 2016, as expressed by the Security Council in its resolution [2270 \(2016\)](#) of 2 March 2016 and the Security Council press statement of 9 September 2016, recalls Council resolutions [1718 \(2006\)](#) of 14 October 2006, [1874 \(2009\)](#) of 12 June 2009 and [2094 \(2013\)](#) of 7 March 2013, calls for full compliance with the obligations under the relevant resolutions, and reaffirms its support for the Six-Party Talks;

9. *Also welcomes* the recent expressions from among the remaining States whose ratification is needed for the Treaty to enter into force of their intention to pursue and complete the ratification process;

10. *Urges* all States to remain seized of the issue at the highest political level and, where in a position to do so, to promote adherence to the Treaty through bilateral and joint outreach, seminars and other means;
