**General Assembly
Seventy-first session
Agenda item 41
Question of Cyprus****Security Council
Seventy-first year****Letter dated 19 October 2016 from the Permanent Representative
of Cyprus to the United Nations addressed to the Secretary-General**

Upon instruction from my Government, I transmit herewith two documents detailing the infringements of international air traffic regulations and the violations of the national airspace of the Republic of Cyprus by Turkey (see annex I) and the illegal use of closed ports by Turkish warships (see annex II) recorded during the month of September 2016. It should also be noted that Turkish commercial aircraft systematically use the illegal Tymvou airport.

Furthermore, I wish to inform you that the occupation regime illegally issued a notice to airmen on 27 September relating to exercises organized by the Turkish Air Force.

The actions of Turkey clearly aim at undermining the sovereignty of the Republic of Cyprus, bolstering the continuing de facto division and upgrading the secessionist entity's status, by claiming a purported airspace over the occupied territory of the Republic. In addition, Turkey continues to systematically harass civilian and military aircraft within the Nicosia flight information region via radio calls. Meanwhile, infringements of regulations in the Nicosia flight information region and violations of the national airspace of the Republic of Cyprus continue unabated. The policy of Turkey of persistently breaching international law and defying international rules and regulations puts the safety of international civil aviation at risk, has a negative impact on the stability of the region and causes difficulties for air traffic over Cyprus.

It should further be underlined that the continuation of the illegal actions of Turkey creates tension during a critical period for the successful outcome of the ongoing negotiation process for a peaceful comprehensive solution of the Cyprus problem.

On behalf of my Government, I strongly protest the continuing infringements of international air traffic regulations and the violations of the national airspace and the territorial waters of the Republic of Cyprus by Turkey and appeal for their

immediate cessation. The Republic of Cyprus reiterates, in this respect, its call for adherence to the principle of sovereignty and non-interference enshrined in the Charter of the United Nations.

I should be grateful if you would circulate the present letter and its annexes as a document of the General Assembly, under agenda item 41, and of the Security Council.

(Signed) Nicholas **Emiliou**
