III. Recommendations of the First Committee

23. The First Committee recommends to the General Assembly the adoption of the following draft resolutions:

Draft resolution I **United Nations disarmament fellowship, training and advisory services**

The General Assembly,

Having considered the report of the Secretary-General,¹

Recalling its decision, contained in paragraph 108 of the Final Document of the Tenth Special Session of the General Assembly, the first special session devoted to disarmament,² to establish a programme of fellowships on disarmament, as well as its decisions contained in annex IV to the Concluding Document of the Twelfth Special Session of the General Assembly, the second special session devoted to disarmament,³ including its decision to continue the programme,

Noting that the programme continues to contribute significantly to developing greater awareness of the importance and benefits of disarmament and a better understanding of the concerns of the international community in the field of disarmament and security, as well as to enhancing the knowledge and skills of fellows, allowing them to participate more effectively in efforts in the field of disarmament at all levels,

Noting with satisfaction that the programme has trained a large number of officials from Member States throughout its 38 years of existence, many of whom hold positions of responsibility in the field of disarmament within their own Governments,

Recognizing the need for Member States to take into account gender equality when nominating candidates to the programme,

Recalling all the resolutions on the matter since the thirty-seventh session of the General Assembly, in 1982, including resolution [50/71 A](#) of 12 December 1995,

Believing that the forms of assistance available under the programme to Member States, in particular to developing countries, will enhance the capabilities of their officials to follow ongoing deliberations and negotiations on disarmament, both bilateral and multilateral,

1. *Reaffirms* its decisions contained in annex IV to the Concluding Document of the Twelfth Special Session of the General Assembly³ and the guidelines approved by the Assembly in its resolution [33/71 E](#) of 14 December 1978;⁴

¹ [A/71/95](#) and Corr.1.

² Resolution S-10/2.

³ *Official Records of the General Assembly, Twelfth Special Session, Annexes*, agenda items 9-13, document [A/S-12/32](#).

⁴ [A/33/305](#).

2. *Expresses its appreciation* to all Member States and organizations that have consistently supported the programme throughout the years, thereby contributing to its success, in particular to the Governments of China, Germany, Japan, Kazakhstan, the Republic of Korea and Switzerland for continuing extensive and highly educative study visits for the participants in the programme during 2015 and 2016;

3. *Expresses its appreciation* to the International Atomic Energy Agency, the Organization for the Prohibition of Chemical Weapons, the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization, the International Court of Justice, the Organization for Security and Cooperation in Europe and the Vienna Centre for Disarmament and Non-Proliferation for organizing specific study programmes in the field of disarmament in their respective areas of competence, thereby contributing to the objectives of the programme;

4. *Commends* the Secretary-General for the diligence with which the programme has continued to be carried out;

5. *Requests* the Secretary-General to continue to implement annually the programme within existing resources and to report thereon to the General Assembly at its seventy-third session;

Draft resolution II

United Nations Disarmament Information Programme

The General Assembly,

Recalling its decision taken in 1982 at its twelfth special session, the second special session devoted to disarmament, by which the World Disarmament Campaign was launched,¹

Bearing in mind its resolution 47/53 D of 9 December 1992, in which it decided, inter alia, that the World Disarmament Campaign should be known thereafter as the “United Nations Disarmament Information Programme” and the World Disarmament Campaign Voluntary Trust Fund as the “Voluntary Trust Fund for the United Nations Disarmament Information Programme”,

Recalling its resolutions 51/46 A of 10 December 1996, 53/78 E of 4 December 1998, 55/34 A of 20 November 2000, 57/90 of 22 November 2002, 59/103 of 3 December 2004, 61/95 of 6 December 2006, 63/81 of 2 December 2008, 65/81 of 8 December 2010, 67/67 of 3 December 2012, and 69/71 of 2 December 2014,

Welcoming the report of the Secretary-General,²

1. *Commends* the Secretary-General for his efforts to make effective use of the limited resources available to him in disseminating, as widely as possible, information on arms control and disarmament to Governments, the media, non-governmental organizations, educational communities and research institutes and in carrying out a seminar and conference programme;

2. *Stresses* the importance of the United Nations Disarmament Information Programme as a significant instrument in enabling all Member States to participate fully in the deliberations and negotiations on disarmament in the various United Nations bodies, in assisting them in complying with treaties, as required, and in contributing to agreed mechanisms for transparency;

3. *Commends with satisfaction* the launch of *The United Nations Disarmament Yearbook* for 2014 and 2015, as well as its online editions, by the Office for Disarmament Affairs of the Secretariat;

4. *Notes with appreciation* the cooperation of the Department of Public Information of the Secretariat and its information centres in pursuit of the objectives of the Programme;

5. *Recommends* that the Programme continue to inform, educate and generate public understanding of the importance of multilateral action and support for it, including action by the United Nations and the Conference on Disarmament, in the field of arms control and disarmament, in a factual, balanced and objective manner, and that it focus its efforts:

(a) To continue to publish *The United Nations Disarmament Yearbook*, the flagship publication of the Office for Disarmament Affairs, in all official languages,

¹ See *Official Records of the General Assembly, Twelfth Special Session, Plenary Meetings*, 1st meeting, paras. 110 and 111.

² [A/71/153](#).

as well as its *Occasional Papers*, *Study Series* and other ad hoc information materials in accordance with the current practice;

(b) To continue to update the disarmament website as a part of the United Nations website in as many official languages as feasible;

(c) To promote the use of the Programme as a means to provide information related to progress in the implementation of nuclear disarmament measures;

(d) To continue to intensify United Nations interaction with the public, principally non-governmental organizations and research institutes, to help further an informed debate on topical issues of arms limitation, disarmament and security;

(e) To continue to organize discussions on topics of interest in the field of arms limitation and disarmament with a view to broadening understanding and facilitating an exchange of views and information among Member States and civil society;

6. *Recognizes* the importance of all support extended to the Voluntary Trust Fund for the United Nations Disarmament Information Programme, and once again invites all Member States to make further contributions to the Fund with a view to sustaining a strong outreach programme;

7. *Takes note* of the recommendations contained in the report of the Secretary-General on disarmament and non-proliferation education,³ which reviews the implementation of the recommendations made in the 2002 study on disarmament and non-proliferation education;⁴

8. *Requests* the Secretary-General to submit to the General Assembly at its seventy-third session a report covering both the implementation of the activities of the Programme by the United Nations system during the previous two years and the activities of the Programme contemplated by the system for the following two years;

9. *Decides* to include in the provisional agenda of its seventy-third session, under the item entitled “Review and implementation of the Concluding Document of the Twelfth Special Session of the General Assembly”, the sub-item entitled “United Nations Disarmament Information Programme”.

³ [A/71/124](#) and Add.1.

⁴ [A/57/124](#).

Draft resolution III

Convention on the Prohibition of the Use of Nuclear Weapons

The General Assembly,

Convinced that the use of nuclear weapons poses the most serious threat to the survival of mankind,

Bearing in mind the advisory opinion of the International Court of Justice of 8 July 1996 on the legality of the threat or use of nuclear weapons,¹

Convinced that a multilateral, universal and binding agreement prohibiting the use or threat of use of nuclear weapons would contribute to the elimination of the nuclear threat and to the climate for negotiations leading to the ultimate elimination of nuclear weapons, thereby strengthening international peace and security,

Conscious that some steps taken by the Russian Federation and the United States of America towards a reduction of their nuclear weapons and the improvement in the international climate can contribute towards the goal of the complete elimination of nuclear weapons,

Recalling that in paragraph 58 of the Final Document of the Tenth Special Session of the General Assembly² it is stated that all States should actively participate in efforts to bring about conditions in international relations among States in which a code of peaceful conduct of nations in international affairs could be agreed upon and which would preclude the use or threat of use of nuclear weapons,

Reaffirming that any use of nuclear weapons would be a violation of the Charter of the United Nations and a crime against humanity, as declared in its resolutions 1653 (XVI) of 24 November 1961, 33/71 B of 14 December 1978, 34/83 G of 11 December 1979, 35/152 D of 12 December 1980 and 36/92 I of 9 December 1981,

Determined to achieve an international convention prohibiting the development, production, stockpiling and use of nuclear weapons, leading to their ultimate destruction,

Stressing that an international convention on the prohibition of the use of nuclear weapons would be an important step in a phased programme towards the complete elimination of nuclear weapons, with a specified framework of time,

Noting with regret that the Conference on Disarmament, during its 2016 session, was unable to undertake negotiations on this subject as called for in General Assembly resolution 70/62 of 7 December 2015,

1. *Reiterates its request* to the Conference on Disarmament to commence negotiations in order to reach agreement on an international convention prohibiting the use or threat of use of nuclear weapons under any circumstances;

2. *Requests* the Conference on Disarmament to report to the General Assembly on the results of those negotiations.

¹ A/51/218, annex.

² Resolution S-10/2.

Recalling the decision taken by the Executive Council of the African Union at its eighth ordinary session, held in Khartoum from 16 to 21 January 2006,¹ in which the Council called upon member States to make voluntary contributions to the Regional Centre to maintain its operations,

Recalling also the call by the Secretary-General for continued financial and in-kind support from Member States, which would enable the Regional Centre to discharge its mandate in full and to respond more effectively to requests for assistance from African States, which is of particular relevance in 2016 as the Regional Centre celebrates the thirtieth anniversary of its establishment,
