Updated financial position of closed peacekeeping missions as at 30 June 2016

Report of the Secretary-General

Summary

The present report provides information on the financial position of 29 closed peacekeeping missions as at 30 June 2016. Of those missions, five had net cash deficits, totalling \$86.1 million (in comparison with \$86.5 million as at 30 June 2015), as a result of outstanding payments of assessed contributions from Member States. The remaining 24 closed peacekeeping missions had net cash surpluses available for credit to Member States totalling \$67.7 million (in comparison with 21 closed peacekeeping missions and a total of \$70.0 million as at 30 June 2015).

I. Introduction

1. The present report is submitted pursuant to resolution [57/323](#), wherein the General Assembly requested the Secretary-General to provide an updated report and make proposals on how to address the issue of outstanding dues owed to Member States from closed peacekeeping missions that were in net cash deficit. The report provides updated information on the financial position of closed peacekeeping missions since the previous report of the Secretary-General ([A/70/552](#)), in which an update was given regarding 26 closed peacekeeping missions and which the General Assembly deferred for consideration until its seventy-first session (decision 70/553 C). Since the issuance of the previous report, three additional peacekeeping missions have closed: the United Nations Mission in the Central African Republic and Chad (MINURCAT), the United Nations Integrated Mission in Timor-Leste (UNMIT) and the United Nations Supervision Mission in the Syrian Arab Republic (UNSMIS).

2. The present report provides updated information on the financial position, as at 30 June 2016, of the following closed peacekeeping missions for which final performance reports have been issued: MINUGUA, MINURCA, ONUB, ONUCA and ONUSAL, ONUMOZ, UNAMSIL and UNOMSIL, UNAVEM and MONUA, UNIIMOG, UNIKOM, UNMEE, UNMIBH, UNMIH, UNMLT, UNMOT, UNOMIG, UNOMIL, UNOMUR and UNAMIR, UNOSOM, UNPF, UNPREDEP, UNSMIH, UNTMIH and MIPONUH, UNTAC, UNTAES and Civilian Police Support Group, UNTAET and UNMISSET, UNTAG, UNMIS, UNMIT, MINURCAT and UNSMIS. Information on each closed peacekeeping mission is provided in annex I to the present report.

Background

3. The General Assembly has deferred consideration of the reports on the updated financial position of closed peacekeeping missions since its sixty-sixth session, in 2012, when the Secretary-General presented his report on the updated financial position of closed peacekeeping missions as at 30 June 2011 ([A/66/665](#)). The Secretary-General continues to provide updated financial information on an annual basis (see [A/67/739](#), [A/68/666](#), [A/69/659](#) and [A/70/552](#)). The present report is the sixth such update.

4. As at 30 June 2002, there were 10 closed peacekeeping missions with a net operating deficit of \$35.3 million. By 30 June 2016, that number had almost trebled to 29 closed peacekeeping missions with a net cash deficit of \$18.4 million, resulting from the outstanding payment of assessments totalling \$407.9 million gross (\$296.9 million net of \$109.6 million in credits and \$1.4 million in overpayments).

II. Additional closed peacekeeping missions

United Nations Integrated Mission in Timor-Leste

5. The mandate of UNMIT was established by the Security Council in its resolution [1704 \(2006\)](#) and extended by subsequent resolutions of the Council. The most recent extension of the mandate, authorized by the Council in its resolution

[2037 \(2012\)](#), ended on 31 December 2012. The administrative liquidation of UNMIT, including the disposal of assets, was carried out from 1 January to 30 June 2013. Information on the final disposition of the assets of UNMIT is contained in a report of the Secretary-General ([A/69/589](#)), which the General Assembly took note of in its resolution [69/298](#). The final performance report of UNMIT was submitted by the Secretary-General ([A/70/560](#)).

6. The General Assembly, in its resolution [70/275](#), decided to credit \$9.1 million to Member States that had fulfilled their financial obligations to UNMIT, and also decided that updated information on the financial position of UNMIT was to be included in the present report.

United Nations Mission in the Central African Republic and Chad

7. The mandate of MINURCAT was established by the Security Council in its resolution [1778 \(2007\)](#) and subsequently extended. That mandate ended on 31 December 2010, in accordance with Council resolution [1923 \(2010\)](#). The administrative liquidation of MINURCAT, including the disposal of assets, was carried out from 1 January to 30 April 2011. Information on the final disposition of the assets of MINURCAT is contained in a report of the Secretary-General ([A/69/596](#)), which the Assembly took note of in its resolution [69/295](#). The final performance report of MINURCAT was submitted by the Secretary-General ([A/70/559](#)).

8. The General Assembly, in its resolution [70/270](#), decided to credit \$35.1 million to Member States that had fulfilled their financial obligations to MINURCAT, and that updated information on the financial position of MINURCAT was to be included in the present report.

United Nations Supervision Mission in the Syrian Arab Republic

9. The mandate of UNSMIS was established by the Security Council in its resolution [2043 \(2012\)](#) as from 21 April 2012 for an initial period of 90 days. By its resolution [2059 \(2012\)](#), the Council renewed the mandate of UNSMIS for a final period of 30 days until 19 August 2012. The administrative liquidation of UNSMIS, including the disposal of assets, commenced on 20 August 2012, with the assets disposed of as at 15 September 2014. Information on the final disposition of the assets of UNSMIS is contained in a report of the Secretary-General ([A/69/594](#) and Corr.1), which the General Assembly took note of in its resolution [69/304](#). The final performance report of UNSMIS was submitted by the Secretary-General ([A/70/564](#)).

10. The General Assembly, in its resolution [70/282](#), decided to credit \$1.8 million to Member States that had fulfilled their financial obligations to UNSMIS, and that updated information on the financial position of UNSMIS was to be included in the present report.

III. Consolidated financial information

11. As at 30 June 2016, 24 of the 29 peacekeeping missions covered in the present report had net cash surpluses available for credit to Member States, totalling \$67,663,000 (see table 1). At the end of June 2015, there were 21 closed peacekeeping missions and \$70,019,000 in net cash (see [A/70/552](#)).

12. At the end of June 2016, outstanding payments of assessments for those 24 closed missions amounted to \$255,083,000. As at the same date, \$22,406,000 in claims was owed to troop-contributing countries, along with \$109,414,000 in credits and \$1,392,000 of overpayments by Member States. The change in the total net cash available for credit to Member States from 30 June 2015 to 30 June 2016 is analysed in table 2 below.

Table 2

Contributions received from Member States	8 375
Receipt of inter-fund balances	2 288
Net cash available as at 30 June 2016	67 663

13. At the end of June 2015, an amount of \$23,500,000 was owed by two active peacekeeping missions: \$6,000,000 by MINURSO and \$17,500,000 by UNMIK. As

at 30 June 2016, the amount owed by these missions had increased to \$40,000,000, comprising \$13,500,000 owed by MINURSO and \$26,500,000 owed by UNMIK.

14. Operating cash flows for active peacekeeping missions appear to have improved. By 31 October 2016, only one loan to UNMIK, in the amount of \$9,500,000, was outstanding. It is not possible to discern whether the improvement reflects a steady downward trend in cross-borrowing, owing to the cyclical nature of such borrowing, which typically reaches its lowest point in the final quarter of the calendar year. Annexes II and III to the present report depict the levels of cross-borrowing and provide an analysis of monthly borrowings and settlements in active and closed peacekeeping missions, respectively, since July 2011. Peak levels of cross-borrowing during 2015 and 2016 nevertheless remained high; they were not the lowest experienced during the past five years.

15. In addition to the above, as at 30 June 2016 there were loans to closed peacekeeping missions which had cash deficits resulting from outstanding payment of assessments and therefore could not repay. The loans were for UNSMIH/UNTMIH/MIPONUH (\$7,366,000), MINURCA (\$3,518,000) and MINUGUA (\$124,000). During the financial period, loans to closed missions with cash deficits were made to MINURCA (\$67,000) and MINUGUA (\$124,000) from UNPF to cover negative balances following the conversion from the Integrated Management Information System (IMIS) to Umoja. In addition, inter-fund payables and receivables in cash-surplus missions, totalling \$2,288,000, were required to be settled with cash at the time of conversion to Umoja.

16. During the financial year, Member States settled outstanding assessments of \$8,375,000, principally in respect of ONUB, ONUMOZ, UNAMSIL/UNOMSIL, UNTAET/UNMISSET, UNOMIG, UNMEE and UNPF.

17. Investment and other revenues (mainly interest) of \$1,420,000 were earned principally by UNPF, UNMIS, UNMIH and UNOMUR/UNAMIR, which had the largest holdings of cash and cash-equivalent assets during the financial year.

18. The total net cash balance of \$67,663,000 as at 30 June 2016 is analysed for each of the 24 closed peacekeeping missions in table 3 below.

19. As at 30 June 2016, 5 of the 29 peacekeeping missions covered in the present report had net cash deficits totalling \$86,102,000, as shown in table 4 below. The deficit arose from outstanding payments of assessments in the total amount of \$152,863,000.

20. The liabilities of the closed missions in cash deficit shown in table 4 above included loans of \$23,828,000, comprising (a) \$11,008,000 owed by UNSMIH/UNTMIH/MIPONUH, MINURCA and MINUGUA to closed peacekeeping missions (see para. 15 above) and (b) \$12,820,000 owed by MINURCA to the Peacekeeping Reserve Fund since February 2000 as a result of insufficient cash resources in the mission. Liabilities also included claims owed to troop-contributing countries in the

amount of \$62,944,000 (see annex IV) and other payables in the amount of \$175,000 comprising credits owed to the former Yugoslavia.

21. The change in the net cash position for the five closed peacekeeping missions in cash deficit from 30 June 2015 to 30 June 2016 is presented in table 5 below.

IV. Cash requirements of the Organization and outstanding dues owed to Member States from closed peacekeeping missions that are in net cash deficit

23. Previous reports of the Secretary-General on the updated financial situation of closed peacekeeping operations have presented information on the historical unpredictability of receipts of assessed contributions, and on liquidity in peacekeeping missions, which has been volatile in the past.

24. Cash surpluses of closed missions continue to be used to alleviate the operational cash shortages of active peacekeeping operations. Cross-borrowing from closed missions totalled \$51 million as at 30 June 2012, \$41 million as at 30 June

2013, \$31 million as at 30 June 2014, \$23.5 million as at 30 June 2015 and \$40 million as at 30 June 2016. At various times during the period from 1 July 2015 to 30 June 2016, cross-borrowings were carried out to meet the operational needs of two active peacekeeping missions, namely MINURSO and UNMIK. As at 30 June 2016, unpaid liabilities to troop-contributing countries owing to insufficient cash amounted to \$131 million in six active peacekeeping missions, namely MINURSO, MONUSCO, UNAMID, UNMIL, UNISFA and UNSOS. Borrowings, settlements and peak levels of cross-borrowing from July 2011 to 31 October 2016 are shown in annexes II and III to the present report.

25. While there has been a noticeable decreasing trend of cross-borrowing from closed missions for active peacekeeping missions during the past five financial periods, some active missions, particularly MINURSO and UNMIK, are still facing cash shortages owing to outstanding assessments that require temporary borrowings from closed peacekeeping missions. As shown in figures I and II below, there is a strong relationship between unpaid assessments (diamond line) and the level of cross-borrowing (triangle line). This relationship is the reason why the two missions have to keep borrowing, owing to the delay in the payment of assessments and the consequent shortage of cash receipts.

Figure I
MINURSO: unpaid assessments and cross-borrowings (July 2011 to June 2016)

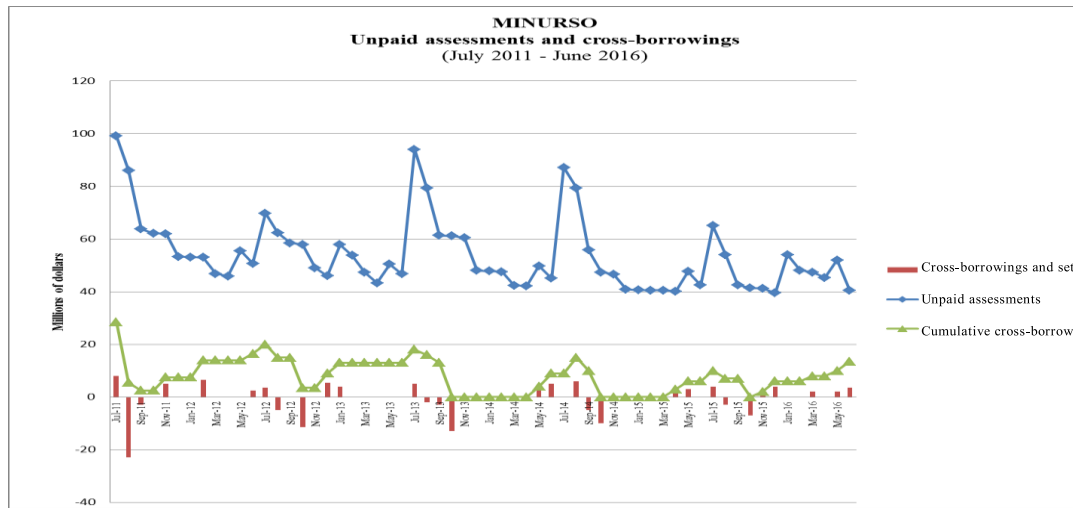

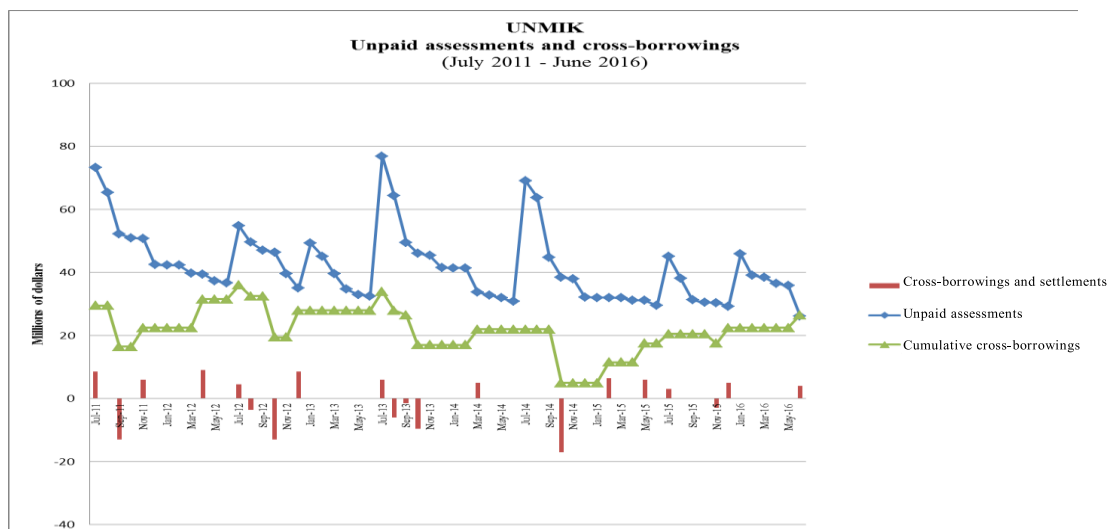

Figure II
UNMIK: unpaid assessments and cross-borrowings (July 2011 to June 2016)

26. As noted above, the General Assembly has deferred consideration of the reports of the Secretary-General on the updated financial position of closed peacekeeping missions since its sixty-sixth session. Within those reports, the Secretary-General has proposed a number of options to address the issues surrounding the cash deficits of both closed and active peacekeeping missions, which are still under consideration:

- Proposals to resolve the issue of outstanding debts in closed missions with cash deficits ([A/66/665](#), [A/67/739](#) and [A/68/666](#))
- Proposal for temporary cross-borrowing from active missions ([A/67/739](#), [A/68/666](#), [A/69/659](#) and [A/70/552](#))
- Proposal to establish a working capital fund ([A/68/666](#), [A/69/659](#) and [A/70/552](#)).

V. Actions to be taken by the General Assembly

27. The General Assembly is requested:

- (a) To take note of the present report;
- (b) To consider the proposals of the Secretary-General to address the cash requirements of active peacekeeping operations;
- (c) To allow the retention of the net cash balance of \$67,663,000 available in 24 closed peacekeeping missions if no new mechanism is approved to address the cash requirements of active peacekeeping operations.
