Financial implications of the draft resolution recommended by

Report of the Fifth Committee

Rapporteur: Mr. David SILVEIRA da MOTA (Brazil)

1. At its 1171st meeting on 16 December 1966, the Fifth Committee considered the statement of financial implications submitted by the Secretary-General (A/C.5/1108) of the recommendation of the Fourth Committee (A/C.4/L.857 and Add.1) concerning the above question. The Chairman of the Advisory Committee on Administrative and Budgetary Questions presented the report of that Committee orally.
2. The Advisory Committee recommended that the amount estimated to be required for this purpose by the Secretary-General should be absorbed within the totality of the appropriation available under section 16, Special missions, of the budget for 1967. The Fifth Committee, therefore, decided to advise the General Assembly that, should the proposal be adopted, no additional appropriation for 1967 would be required.
