INDUSTRIAL DEVELOPMENT CO-OPERATION

Letter dated 10 June 1985 from the Permanent Representative of the  
Ukrainian Soviet Socialist Republic to the United Nations addressed  
to the Secretary-General

I have the honour to transmit to you the instrument of ratification by the Presidium of the Supreme Soviet of the Ukrainian SSR of the Constitution of the United Nations Industrial Development Organization (UNIDO) and, on behalf of the Government of the Ukrainian SSR, to state the following.

The Ukrainian SSR supports the purposes and principles of UNIDO's activities, as stated in the UNIDO Constitution, and believes that their implementation requires a fundamental restructuring of the existing unjust international economic relations, the establishment of a new international economic order on an equitable and democratic basis, the conduct of progressive social and economic reforms, the strengthening of the State sector of the economy and the carrying out of national plans and programmes for economic and social development.

UNIDO's activities aimed at promoting industrial development in the developing countries and at those countries' attainment of economic independence must be based on the progressive provisions and principles of the Charter of Economic Rights and Duties of States, the Declaration on the Establishment of a New International Economic Order, and the Lima and New Delhi Declarations on international industrial development co-operation.

To these ends, UNIDO must actively and firmly oppose the attempts of imperialist forces to interfere in the internal affairs of States and must combat

acts of economic aggression, diktat and blackmail. UNIDO should work against the policies of those States and economic circles which are endeavouring not only to continue but even to expand the neo-colonialist plundering of the developing countries. In this connection, UNIDO should take active steps to establish effective control over the activities of transnational corporations with a view to restricting their negative influence on the economic development of the developing countries and on international economic relations in general.

The Ukrainian SSR attaches primary importance to the need for implementing the provisions of the UNIDO Constitution which declare the determination of member countries to promote international peace and security and the prosperity of all peoples.

It is firmly convinced that a cessation of the arms race and a transition to real disarmament measures would make possible the release of significant additional resources to meet the needs of social and economic development, including the industrialization of the developing countries.

The Ukrainian SSR emphasizes that it is essential to comply strictly, in the practical activities of UNIDO, with the provisions of its Constitution concerning the purposes for which the regular and operational budgets of the Organization may be utilized. UNIDO should take steps to prevent the expenditure of resources on programmes and projects, including "advisory services", that could be used for the penetration of foreign private capital into the economies of the developing countries. Fixing the levels of the regular budget on a stable basis will enable the Organization to make sure that the budget is more effectively and rationally used.

With regard to the expenditure of UNIDO regular budget resources for technical assistance, the Ukrainian SSR's position of principle has been stated in the joint declaration issued by the delegations of the socialist countries on 7 April 1979 at the United Nations Conference on the Establishment of UNIDO as a Specialized Agency. In connection with the provision in annex II of the UNIDO Constitution that 6 per cent of the regular budget of the Organization should be allocated to technical assistance, the Ukrainian SSR declares that the corresponding portion of its convertible currency contribution to the UNIDO budget will be credited to a separate account at the Foreign Trade Bank of the USSR. The Ukrainian SSR will make use of that portion of its contribution to participate in the provision through UNIDO of technical assistance to interested countries.

The Ukrainian SSR advocates keeping the new Organization's activities universal in character in the interests of all its member countries. The realization of this very important principle would help to ensure the full implementation of General Assembly resolution 39/231 of 18 December 1984, which confirms the agreement on the conditions for the establishment of UNIDO as a specialized agency, including the agreement on the equitable geographical distribution of posts and, in particular, the allocation of one of the posts of Deputy Director-General to the socialist countries.

The Ukrainian SSR wishes to express its conviction that the considerations with regard to the activities of the new Organization put forward in this statement

and expressed in the course of the consultations on the establishment of UNIDO as a specialized agency will be duly taken into account and reflected in UNIDO's practical activities.

I request you to regard this letter as official notification of the Ukrainian SSR's agreement to the entry into force of the UNIDO Constitution in accordance with article 25, paragraph 1, of that Constitution.

I request you also to take the necessary steps to circulate this letter as an official document of the General Assembly, under items 12 and 84 of the preliminary list, and of the Economic and Social Council, under item 12 of the provisional agenda of its second regular session of 1985.

Ukrainian SSR to the United Nations
