Corrigendum

1. Paragraph 12, line 2

For following read above.

2. Paragraph 17

At the end of the paragraph add There was a further discussion on the subject of sub-contracting and hiring of consulting firms at its second regular session in October. CCSQ (OPS) decided to retain the item in its tentative programme of work for 1986 on the understanding that UNIDO would enlarge the scope of its outline for a study on this matter, thus permitting the incorporation of complementary issues and information based on the experience of the various organizations of the United Nations system.
