34/8. International assistance for the rehabilitation, reconstruction and development of Nicaragua

The General Assembly,

Having considered the report of the Committee of the Whole of the Economic Commission for Latin America on its twelfth special session,³

Deeply concerned at the grave economic situation of Nicaragua and the serious deterioration in the living conditions of the Nicaraguan people,

1. Endorses the resolution adopted on 28 September 1979 by the Committee of the Whole of the Economic Commission for Latin America;⁴

2. Urges Governments of Member States and international organizations to provide with the utmost urgency the assistance envisaged in that resolution for the

rehabilitation, reconstruction and development of Nicaragua;

3. Requests the Secretary-General to keep the Economic and Social Council and the General Assembly informed during the next two years of the results achieved in the implementation of the present resolution.

34/14. World Conference on Agrarian Reform and Rural Development

The General Assembly,

Recalling its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States, and 3362 (S-VII) of 16 September 1975 on development and international economic co-operation,

Recalling also the results of various United Nations conferences held in recent years on major topics relating to economic and social development and the establishment of the new international economic order, particularly the World Food Conference held in Rome from 5 to 16 November 1974,

Recognizing the need for an intensification of development efforts aimed at the accelerated development of developing countries and the satisfaction of the aspirations and requirements of their peoples, especially in rural areas, consistent with the principles of human dignity, equity and international social justice,

Convinced that the sustained improvement of rural areas in each country, in the context of the promotion of national self-reliance, requires fuller and more equitable access to land, water and other natural renewable resources, increasing and more productive employment, fuller use of human skills and energies, the participation and integration of rural people in the production and distribution systems, increased production, productivity
