UNITED NATIONS ENVIRONMENT PROGRAMME

United States of America: amendments to the draft resolution
contained in document A/C.2/34/L.77

1. Add a new seventh preambular paragraph, reading as follows:

"Taking note also of the interest expressed by many Governments on the possible use of environmental assessment procedures as a mechanism to identify and deal with transboundary environmental problems,"

2. Add the following at the end of operative paragraph 3:

"and to consider developing environmental assessment to enable States to evaluate their activities for potential environmental effects beyond their territory, including the global commons."
