B. Relationship of requests to programme of work

14. The activities referred to above fall under chapter 6, section II, "Programme: Centre for Human Rights", subprogramme 1, "Implementation of international standards, instruments and procedures", the objectives of and the strategy for which are described in paragraphs 6.20, 6.22 and 6.23 of the medium-term plan for the period 1984-1989 (A/37/6), as extended through 1991 (A/43/6 and Corr.1).

15. The activity is included in the programme budget for the biennium 1990-1991 under the following programme element of Section 23 (Human rights):

Programme element 2.1 - Elimination and prevention of discrimination and protection of minorities and vulnerable groups

Output: (xii) Substantive servicing of 10 seminars and workshops scheduled to be held under the Programme of Action to Combat Racism and Racial Discrimination (XB).

C. Activities by which the requests would be implemented

16. A meeting of representatives of national institutions and organizations promoting tolerance and harmony and combating racism and racial discrimination with a view to exchanging experience on the promotion of such objectives will be held in Geneva in 1990, subject to the availability of extrabudgetary resources. In addition, consultants will be required for background papers, as well as three work-months of temporary assistance at the P-3 level and two work-months at the General Service level to carry out substantive preparatory work for the holding of the meeting.

D. Additional requirements at full cost

17. On the assumption that the meeting would be held in Geneva using the six official languages of the United Nations over a period of five working days, the costs are estimated as follows:

	<u>1990</u> (US dollars)
<u>Extrabudgetary resources</u>	
Travel and subsistence of participants (25 x \$2,200)	55 000 -----
<u>Section 23 of the programme budget</u>	
Consultancy fees for background papers (3 x \$1,000)	3 000
<u>General temporary assistance</u>	
Three work-months at P-3 level	13 500
Two work-months at General Service level	7 000 -----
Total Section 23	23 500

1990
(US dollars)

Section 29 of the programme budget

I.	Pre-session documentation (50 pages, 10 documents: E,F,S)	16 200
II.	Meeting servicing (10 meetings: A,C,E,F,R,S)	50 600
III.	In-session documentation (20 pages, 4 documents: E,F,S)	6 500
IV.	Post-session documentation (30 pages, 1 document: A,C,E,F,R,S)	23 100
	Total Section 29	----- 96 400 =====

E. Potential for absorption

18. The estimates of conference-servicing costs indicated in paragraph 17 above are based on the assumption that no part of the conference-servicing requirements would be met from within the permanent conference-servicing capacity under Section 29 (Conference Services Division, Geneva) of the programme budget, and that additional resources would be required for temporary assistance for meetings. The extent to which the Organization's permanent capacity needs to be supplemented by temporary assistance resources can only be determined in the light of the calendar of conferences for 1990-1991. However, as indicated in paragraph 29.5 of the programme budget, the 1990-1991 level of resources for temporary assistance for meetings was estimated on the basis of previous experience to accommodate not only meetings which are programmed, but also additional meetings. In other words, provision was made in the programme budget not only for meetings known at the time of budget preparation, but also for meetings that would be authorized subsequently, provided that the number and distribution of meetings and conferences in the biennium 1990-1991 is consistent with the pattern of meetings in past years. On that basis, it is estimated that no additional resources will be required under Section 29 of the programme budget for the biennium 1990-1991 as a result of the adoption of the resolution.

Other

19. As indicated in paragraph 15 above, the output is scheduled in the 1990-1991 programme budget subject to extrabudgetary resources. Therefore, the participants' travel would only be able to be undertaken based on the availability of extrabudgetary resources.

20. The costs for consultants (\$3,000) and general temporary assistance (\$20,500) would be provided for from the programme budget.

21. Specifically, as described in paragraph 23.37, Section 23 (Human rights) of the programme budget, resources were approved by the General Assembly for general temporary assistance for, inter alia, the preparation of Secretariat studies, reports, summaries and analyses. As reported in paragraph 23.38, resources were provided relating to the need for specialized outside expertise and research, especially for the World Public Information Campaign and the Second Decade to Combat Racism and Racial Discrimination.

22. In summary, therefore, the estimated amount of \$55,000 would be provided from available extrabudgetary resources, and the amounts of \$20,500 for general temporary assistance and \$3,000 for consultants would be provided for from resources in the programme budget for 1990-1991.

30. In paragraph 19, the Special Rapporteur is invited:

31. In paragraph 20 of the resolution, the Commission invited the Secretary-General to give the updated report the widest dissemination, to issue it as a United Nations publication and to make it available to learned societies, research centres, universities, political and humanitarian organizations and other interested groups.

B. Relationship of requests to programme of work

32. The activities referred to above fall under chapter 6, section II, "Programme: Centre for Human Rights", subprogramme 2, "Elimination and prevention of discrimination and protection of minorities and vulnerable groups", the objectives of and the strategy for which are described in paragraph 6.27 of the medium-term plan for the period 1984-1989 (A/37/6), as extended through 1991 (A/43/6 and Corr.1).

33. This activity is included in the programme budget for the biennium 1990-1991 under the following programme element of Section 23 (Human rights):

Programme element 2.1 - Elimination and prevention of discrimination and protection of minorities and vulnerable groups

Output: (xiii) Preparation of two updated reports for submission to the General Assembly, through the Commission on Human Rights and the Sub-Commission, containing a list of organizations, banks and transnational corporations giving assistance to the racist régime in South Africa, pursuant to General Assembly resolution 43/92 (third quarter, 1990 and 1991).

C. Activities by which the requests would be implemented

It is envisaged that the Special Rapporteur will travel from Cairo to New York for a period of five working days in the early part of 1990 and 1991 in order to establish direct contacts with the Centre on Transnational Corporations and the Centre against Apartheid. Later in 1990 and again in 1991, the Special Rapporteur will travel from Cairo to Geneva for five working days for consultations with the Centre for Human Rights. Computer services will also be provided to the Special Rapporteur in order to facilitate the updating of the report. The updated report will be translated and published in Arabic, Chinese, English, French, Russian and Spanish and made available to all interested parties.

D. Modifications required in the programme of work

35. No modification in the programme of work for 1990-1991 is required as this activity has been anticipated in the programme budget for the biennium 1990-1991 as indicated in paragraph 32 above.

	<u>1990</u>	<u>1991</u>
	(US dollars)	
Travel and subsistence costs for the Special Rapporteur	5 500	5 500

F. Potential for absorption

37. The relevant costs to be financed under Section 23 (Human rights) are estimated at \$5,500 for 1990 and \$5,500 for 1991.

38. This resolution is considered to be within the scope of perennial activities and resources therefore will be provided from the existing provision for the Economic and Social Council mandates under Section 23 (Human rights), thus making it unnecessary to request any additional appropriation or to have recourse to the contingency fund.

RESOLUTION 1990/27. IMPLEMENTATION OF THE DECLARATION ON THE
ELIMINATION OF ALL FORMS OF INTOLERANCE
AND OF DISCRIMINATION BASED ON RELIGION

A. Requests contained in the resolution or decision

39. In paragraph 11 of resolution 1990/27, the Commission on Human Rights decided to extend for two years the mandate of the Special Rapporteur appointed to examine incidents and governmental actions in all parts of the world which are inconsistent with the provisions of the Declaration on the Elimination of All Forms of Intolerance and of Discrimination Based on Religion or Belief and to recommend remedial measures, as appropriate.

RESOLUTION 1990/30. QUESTION OF ENFORCED OR INVOLUNTARY DISAPPEARANCES

A. Requests contained in the resolution or decision

49. In paragraphs 3 and 4 of resolution 1990/30, the Commission on Human Rights decided to extend for two years the term of the mandate of the Working Group on Enforced or Involuntary Disappearances as defined in Commission resolution 20 (XXXVI) of 29 February 1980 so as to enable the Working Group to take into consideration all the information that may be transmitted to it concerning the cases brought to its attention, while maintaining the principle of annual reporting by the Working Group, and requested the Working Group to report on its work to the Commission at its forty-seventh session and reminded the Working Group of the obligation to discharge its mandate in a discreet and conscientious manner. In paragraph 17, the Commission requested the Secretary-General to ensure that the Working Group received all necessary assistance, in particular the staff and resources it requires to perform its functions, especially in carrying out missions or holding sessions in countries which would be prepared to receive it.

B. Relationship of requests to programme of work

50. The activities referred to above fall under chapter 6, section II, "Programme: Centre for Human Rights", subprogramme 1, "Implementation of international standards, instruments and procedures", the objective of and strategy for which are described in paragraphs 6.20, 6.22 and 6.23 of the medium-term plan for the period 1984-1989 (A/37/6), as extended through 1991 (A/43/6 and Corr.1).

51. The activity is included in the programme budget for the biennium 1990-1991 under the following programme element of Section 23 (Human rights):

Output: (vi) Preparation of two reports of the Working Group on Enforced or Involuntary Disappearances of Persons to be submitted to the Commission on Human Rights.

C. Activities by which the requests would be implemented

52. It is assumed that the work programme of the Working Group during 1990 and 1991, as outlined below, will follow a similar pattern as in previous years. The estimate of financial implications is based on the following assumptions:

(a) The Working Group, composed of five members, accompanied by three staff members from the Centre for Human Rights, will meet in New York in June 1990 and in April/May 1991 for a period of five working days, in order to receive and examine information from Governments, intergovernmental organizations, humanitarian organizations, and other reliable sources;

(b) The Working Group will meet in Geneva in September 1990 and August/September 1991 for a period of five working days to receive and examine information;

(c) The Working Group will meet in Geneva in December 1990 and December 1991 for a period of eight working days to receive and examine information as well as to consider and adopt its report for submission to the Commission at its forty-seventh and forty-eighth sessions;

(d) For the purpose of establishing direct contacts with Governments, two members of the Working Group, accompanied by up to three staff members of the Centre for Human Rights, will undertake four missions during the two-year mandate;

(e) One staff member at the P-4 level and three at the P-3/P-2 level, one computer operations clerk and two secretaries will be required to provide the Working Group with necessary services for the substantive preparation and servicing of three annual sessions as well as field missions, the screening of incoming reports, the transmittal of cases approved by the Working Group to Governments and the connected correspondence; and to assist the Working Group in the preparation of its annual report to the Commission;

(f) Computer and word-processing services will be required to organize and assess the data collected on missing persons.

D. Modifications required in the programme of work

53. No modification is required in the programme of work for 1990-1991, since the activity appears under programme element 1.3.

F. Potential for absorption

57. The estimates of conference-servicing costs indicated in paragraph 56 above are based on the assumption that no part of the conference-servicing requirements would be met from within the permanent conference-servicing

capacity under Section 29 (Conference Services Division, Geneva) of the programme budget, and that additional resources would be required for temporary assistance for meetings. The extent to which the Organization's permanent capacity needs to be supplemented by temporary assistance resources can only be determined in the light of the calendar of conferences for 1990-1991. However, as indicated in paragraph 29.5 of the programme budget, the 1990-1991 level of resources for temporary assistance for meetings was estimated on the basis of previous experience to accommodate not only meetings which are programmed, but also additional meetings. In other words, provision was made in the programme budget not only for meetings known at the time of budget preparation, but also for meetings that would be authorized subsequently, provided that the number and distribution of meetings and conferences in the biennium 1990-1991 is consistent with the pattern of meetings in past years. On that basis, it is estimated that no additional resources will be required under Section 29 of the programme budget for the biennium 1990-1991 as a result of the adoption of the resolution.

58. Should the services of an interpreter be required during the field missions, salary, travel and subsistence costs are estimated at \$5,000 for each mission to be financed under section 29 B (Conference Services Division, Geneva).

59. This resolution is considered to be within the scope of perennial activities and resources therefore will be provided from the existing provision for the Economic and Social Council mandates under Section 23 (Human rights), thus making it unnecessary to request any additional appropriation or to have recourse to the contingency fund.

RESOLUTION 1990/34. TORTURE AND OTHER CRUEL, INHUMAN OR DEGRADING
TREATMENT OR PUNISHMENT: REPORT OF THE
SPECIAL RAPPORTEUR

A. Requests contained in the resolution or decision

60. In paragraph 13 of resolution 1990/34, the Commission on Human Rights decided to extend for two years the mandate of the Special Rapporteur.

B. Relationship of requests to programme of work

61. The activities referred to above fall under chapter 6, section II, "Programme: Centre for Human Rights", subprogramme 1, "Implementation of international standards, instruments and procedures", the objectives of and the strategy for which are described in paragraphs 6.20, 6.22 and 6.23 of the medium-term plan for the period 1984-1989 (A/37/6), as extended through 1991 (A/43/6 and Corr.1).

62. The activity is included in the programme budget for the biennium 1990-1991 under the following programme element of Section 23 (Human rights).

Programme element 1.3 - Servicing special procedures including assistance to ad hoc investigatory or fact-finding bodies

Output: (vii) Substantive servicing of 20 separate exercises of a fact-finding nature or other procedure dealing with alleged violations of human rights decided upon by policy-making organs during the biennium, including gathering and analysis of materials, consultations and field missions.

Output: (viii) Preparation of 20 reports to be submitted to the Commission on Human Rights and the General Assembly on fact-finding exercises mentioned in previous output.

RESOLUTION 1990/35. COMPENSATION FOR VICTIMS OF GROSS VIOLATIONS
OF HUMAN RIGHTS

A. Requests contained in the resolution or decision

70. By operative paragraph 1 of draft resolution III, recommended to the Economic and Social Council for adoption under Commission on Human Rights resolution 1990/35, the Council would authorize the Sub-Commission on Prevention of Discrimination and Protection of Minorities to entrust Mr. Theo van Boven with the task of undertaking a study concerning the right

to restitution, compensation and rehabilitation for victims of gross violations of human rights and fundamental freedoms, taking into account, inter alia, relevant existing international human rights norms on compensation and judgements by courts, decisions and views of international human rights organs and bodies, with a view to exploring the possibility of developing basic principles and guidelines in this respect.

B. Relationship of requests to programme of work

71. The activities referred to above fall under chapter 6, section II, "Programme: Centre for Human Rights", subprogramme 4, "Standard setting, research and studies", the objectives of and the strategy for which are described in paragraphs 6.38 and 6.40 of the medium-term plan for the period 1984-1989 (A/37/6), as extended through to 1991 (A/43/6 and Corr.1).

72. The activity is included in the programme budget for the biennium 1990-1991 under the following programme element of Section 23 (Human rights):

Programme element 4.2 - Research and studies

Intermediate output: Assistance to special rapporteurs or experts for the preparation of 15 reports, studies and working papers mandated by policy-making organs.

74. No modification is required in the programme of work.

E. Additional requirements at full cost

75. The estimated cost of the above programme of work is itemized as follows:

	<u>1990</u> (US dollars)
<u>One round trip to Geneva for consultations at the Centre for Human Rights (5 working days)</u>	1 200

F. Potential for absorption

76. The relevant costs to be financed under Section 23 (Human rights) are estimated at \$1,200 for 1990.

77. This resolution is considered to be within the scope of perennial activities and resources therefore will be provided from the existing provision for the Economic and Social Council mandates under Section 23 (Human rights), thus making it unnecessary to request any additional appropriation or to have recourse to the contingency fund.

RESOLUTION 1990/38. QUESTION OF A DRAFT BODY OF PRINCIPLES
AND GUARANTEES FOR THE PROTECTION OF
MENTALLY-ILL PERSONS AND FOR THE
IMPROVEMENT OF MENTAL HEALTH CARE

A. Requests contained in the resolution or decision

78. In operative paragraph 1 of draft resolution IV, recommended to the Economic and Social Council for adoption under Commission on Human Rights resolution 1990/38, the Council would authorize an open-ended working group of the Commission on Human Rights to meet for a period of two weeks prior to the forty-seventh session of the Commission, with a view to continuing the examination, revision and simplification of a draft body of principles and guarantees for the protection of mentally-ill persons and for the improvement of mental health care, for submission to the Commission on Human Rights at its forty-seventh session.

B. Relationship of requests to programme of work

79. The activities referred to above fall under chapter 6, section II, "Programme: Centre for Human Rights", subprogramme 2, "Elimination and prevention of discrimination and protection of minorities and vulnerable groups", the objectives of and the strategy for which are described in paragraphs 6.25 and 6.27 of the medium-term plan for the period 1984-1989 (A/37/6), as extended through 1991 (A/43/6 and Corr.1).

80. The activity is included in the programme budget for the biennium 1990-1991 under the following programme element of Section 23 (Human rights):

Programme element 2.1 - Elimination and prevention of discrimination and protection of minorities and vulnerable groups

Output: (xxxvi) Substantive servicing of an open-ended working group of the Commission on Human Rights to examine, revise and simplify as necessary the draft body of principles and guarantees for the protection of mentally-ill persons and for the improvement of mental health care.

C. Activities by which the requests would be implemented

81. Meetings of the open-ended Working Group to examine the draft body of principles for mentally-ill persons would be held in Geneva in 1990 or 1991. It has been noted that the air travel expenses of the members concerned would be covered under the normal provision for the attendance of members of the Commission.

D. Modifications required in the programme of work

82. No modification is required in the programme of work for 1990-1991 since the activity appears under programme element 2.1.

E. Additional requirements at full cost

83. On the assumption that the meeting would be held during the last quarter of 1990 or two weeks prior to the forty-seventh session of the Commission in 1991 in Geneva over a period of 10 working days, the conference costs are estimated as follows:

Section 29 of the programme budget

	<u>1990/1991</u> (US dollars)
I. Pre-session documentation (60 pages, 3 documents: A,C,E,F,R,S)	49 800
II. Meeting servicing (20 meetings: A,C,E,F,R,S)	106 600
III. In-session documentation (50 pages, 2 documents: A,C,E,F,R,S)	40,700
IV. Post-session documentation (30 pages, 1 document: A,C,E,F,R,S)	24,700

Total	221 800
	=====

F. Potential for absorption

84. The estimates of conference-servicing costs indicated in paragraph 83 above are based on the assumption that no part of the conference-servicing requirements would be met from within the permanent conference-servicing capacity under Section 29 (Conference Services Division, Geneva) of the programme budget, and that additional resources would be required for temporary assistance for meetings. The extent to which the Organization's permanent capacity needs to be supplemented by temporary assistance resources can only be determined in the light of the calendar of conferences

for 1990-1991. However, as indicated in paragraph 29.5 of the programme budget, the 1990-1991 level of resources for temporary assistance for meetings was estimated on the basis of previous experience to accommodate not only meetings which are programmed, but also additional meetings. In other words, provision was made in the programme budget not only for meetings known at the time of budget preparation, but also for meetings that would be authorized subsequently, provided that the number and distribution of meetings and conferences in the biennium 1990-1991 is consistent with the pattern of meetings in past years. On that basis, it is estimated that no additional resources will be required under section 29 of the programme budget for the biennium 1990-1991 as a result of the adoption of the draft resolution.

RESOLUTION 1990/47. QUESTION OF A DRAFT DECLARATION ON THE
RIGHT AND RESPONSIBILITY OF INDIVIDUALS,
GROUPS AND ORGANS OF SOCIETY TO PROMOTE
AND PROTECT UNIVERSALLY RECOGNIZED
HUMAN RIGHTS AND FUNDAMENTAL FREEDOMS

A. Requests contained in the resolution or decision

85. By operative paragraph 1 of draft resolution VII, recommended to the Economic and Social Council for adoption under Commission on Human Rights resolution 1990/47, the Council would authorize an open-ended working group of the Commission to meet for a period of eight working days prior to the forty-seventh session of the Commission on Human Rights with a view to continuing the elaboration of a draft declaration on the right and responsibility of individuals, groups and organs of society to promote and protect universally recognized human rights and fundamental freedoms.

B. Relationship of requests to programme of work

86. The activities referred to above fall under chapter 6, section II, "Programme: Centre for Human Rights", subprogramme 4, "Standard setting, research and studies", the objectives of and the strategy for which are described in paragraphs 6.38 and 6.40 of the medium-term plan for the period 1984-1989 (A/37/6) as extended through 1991 (A/43/6 and Corr.1).

87. The activity is included in the programme budget for the biennium 1990-1991 under the following programme element of Section 23 (Human rights):

Programme element 4.1 - Standard setting

Output: (iii) Substantive servicing of two pre-sessional working groups of the Commission on Human Rights to draft a declaration on the right and responsibility of individuals, groups and organs of society to promote and protect universally recognized human rights and fundamental freedoms.

C. Activities by which the requests would be implemented

88. Meetings of the open-ended Working Group would be held in Geneva in 1991. It has been noted that the air travel expenses of the members concerned would be covered under the normal provision for the attendance of members of the Commission.

D. Modifications required in the programme of work

89. No modification is required in the programme of work for 1990-1991 since this activity appears under programme element 4.1.

E. Additional requirements at full cost

90. On the assumption that the meeting would be held in Geneva in 1991 over a period of eight working days, the conference costs are estimated as follows:

Section 29 of the programme budget

	<u>1991</u> (US dollars)
I. Meeting servicing (16 meetings: A,C,E,F,R,S)	82 600
II. In-session documentation (20 pages, 5 documents: A,C,E,F,R,S)	18 500
III. Post-session documentation (30 pages, 1 document: A,C,E,F,R,S)	16 900

Total	118 000
	=====

F. Potential for absorption

91. The estimates of conference-servicing costs indicated in paragraph 90 above are based on the assumption that no part of the conference-servicing requirements would be met from within the permanent conference-servicing capacity under Section 29 (Conference Services Division, Geneva) of the programme budget, and that additional resources would be required for temporary assistance for meetings. The extent to which the Organization's permanent capacity needs to be supplemented by temporary assistance resources can only be determined in the light of the calendar of conferences for 1990-1991. However, as indicated in paragraph 29.5 of the programme budget, the 1990-1991 level of resources for temporary assistance for meetings were estimated on the basis of previous experience to accommodate not only meetings which are programmed, but also additional meetings. In other words, provision was made in the programme budget not only for meetings known at the time of budget preparation, but also for meetings that would be authorized

subsequently, provided that the number and distribution of meetings and conferences in the biennium 1990-1991 is consistent with the pattern of meetings in past years. On that basis, it is estimated that no additional resources will be required under Section 29 of the programme budget for the biennium 1990-1991 as a result of the adoption of the draft resolution.

120. Should the services of an interpreter be required during the field missions, salary, travel and subsistence costs are estimated at \$5,000 for each mission to be financed under Section 29 B (Conference Services Division, Geneva).

121. This resolution is considered to be within the scope of perennial activities and resources therefore will be provided from the existing provision for the Economic and Social Council mandates under Section 23 (Human rights), thus making it unnecessary to request any additional appropriation or to have recourse to the contingency fund.

RESOLUTION 1990/55. WORKING GROUP ON SITUATIONS

A. Requests contained in the resolution or decision

122. By operative paragraph 1 of draft resolution VIII, recommended to the Economic and Social Council for adoption under Commission on Human Rights resolution 1990/55, the Council would authorize the Commission to establish a working group composed of not more than five of its members, with due regard to geographical distribution, to meet for a period not exceeding five working

days prior to the sessions of the Commission to examine such particular situations as might be referred to the Commission by the Sub-Commission on Prevention of Discrimination and Protection of Minorities under the procedure governed by Economic and Social Council resolution 1503 (XLVIII) and those situations of which the Commission is seized under that procedure, and to make recommendations to the Commission on the course of action to take in respect of each particular situation.

B. Relationship of requests to programme of work

123. The activities referred to above fall under chapter 6, section II, "Programme: Centre for Human Rights", subprogramme 1, "Implementation of international standards, instruments and procedures", the objectives of and the strategy for which are described in paragraphs 6.20, 6.22 and 6.23 of the medium-term plan for the period 1984-1989 (A/37/6) as extended through 1991 (A/43/6 and Corr.1).

124. The activity is included in the programme budget for 1990-1991 under the following programme element of Section 23 (Human rights):

Programme element 1.2 - Implementing procedures for dealing with alleged violations of human rights

Output: (v) Substantive servicing of two meetings of the Working Group of the Commission on Human Rights entrusted with examining the particular human rights situations referred to the Commission on Human Rights by the Sub-Commission on Prevention of Discrimination and Protection of Minorities under Economic and Social Council resolution 1503 (XLVIII).

C. Activities by which the requests would be implemented

125. In order to carry out the activity envisaged by this draft resolution, the Working Group would meet for five working days prior to the Commission's forty-seventh session to examine such particular situations as might be referred to the Commission by the Sub-Commission on Prevention of Discrimination and Protection of Minorities at its forty-second session.

D. Additional requirements at full cost

126. The related full cost of provision of conference-servicing for holding the five working days of meetings immediately prior to the forty-seventh session of the Commission on Human Rights are estimated on a full-cost basis, as follows:

1991
(US dollars)

I.	Meeting servicing (10 meetings: E,F,R,S)	31 900
II.	In-session documentation (20 pages, 5 documents: E,F,R,S)	9 600
III.	Post-session documentation (20 pages, 1 document: A,C,E,F,R,S)	16 400
	Total	----- 57 900 =====

E. Potential for absorption

127. The estimates of conference-servicing costs indicated in paragraph 126 above are based on the assumption that no part of the conference-servicing costs requirements would be met from within the permanent conference-servicing capacity under Section 29 (Conference Services Division, Geneva) of the programme budget, and that additional resources would be required for temporary assistance for meetings. The extent to which the Organization's permanent capacity needs to be supplemented by temporary assistance resources can be determined only in the light of the calendar of conferences for 1990-1991. However, as indicated in paragraph 29.5 of the programme budget, the 1990-1991 level of resources for temporary assistance for meetings was estimated on the basis of previous experience to accommodate, not only meetings known at the time of the budget preparations, but also meetings that would be authorized subsequently, provided that the number and distribution of meetings and conferences in the biennium 1990-1991 was consistent with the pattern of meetings in past years. On that basis, it is estimated that no additional resources will be required under Section 29 of the programme budget for the biennium 1990-1991 as a result of the adoption of the draft resolution.

A. Requests contained in the resolution or decision

207. By decision 1990/109, the Commission on Human Rights, noting Sub-Commission on Prevention of Discrimination and Protection of Minorities resolution 1989/16 of 31 August 1989, decided (a) that the mandate of the Special Rapporteur, Mrs. Halima Embarek Warzazi, be extended for two years so as to enable her to present a more complete report; (b) that field missions be undertaken by Mrs. Warzazi if possible to two countries where harmful traditional practices are prevalent; (c) that international regional seminars be held on the subject of harmful traditional practices in Africa and Asia; (d) that all efforts be made by the Centre for Human Rights to provide necessary support, including a full-time professional assistant, to liaise with Governments, United Nations agencies and economic and social commissions, non-governmental organizations and other concerned institutions, with special emphasis on data-gathering from the many organizations currently working to eliminate harmful traditional practices, but which are not mentioned in the preliminary report; (e) that the subject of traditional practices be on the agenda of the Sub-Commission for sustained follow-up.

210. It is envisaged that the Special Rapporteur will travel to Geneva for a period of five working days in May/June 1990 to hold consultations at the Centre for Human Rights and to organize and plan her work in relation to her mandate. It is further envisaged that the Special Rapporteur, accompanied by two staff members from the Centre for Human Rights, will undertake at least two field missions, one in 1990 and one in 1991. Consideration would be given to organizing international regional seminars, under the Centre's programme of advisory services in the field of human rights, on the subject of harmful traditional practices in Africa and Asia.

DECISION 1990/116. ORGANIZATION OF THE WORK OF THE
FORTY-SEVENTH SESSION

A. Requests contained in the resolution or decision

218. By decision 1990/116, the Commission on Human Rights decided (a) to recommend to the Economic and Social Council that it authorize, if possible within existing financial resources, 30 fully-serviced additional meetings, including summary records, in accordance with rules 29 and 31 of the rules of procedure of the functional commissions of the Economic and Social Council, for the Commission's forty-seventh session, and (b) to request the Chairman of

the Commission at its forty-seventh session to make every effort to organize the work of the session within the normal allotted time, the additional meetings that the Economic and Social Council might authorize to be utilized only if such meetings proved to be absolutely necessary.

B. Relationship of requests to programme of work

219. As a programme element in the programme of work for 1990-1991 in the programme budget, the activities referred to above fall under Executive direction and management: substantive servicing of the policy-making organs of the programme, in particular the Commission on Human Rights, and their substantive organs.

220. The activity is included in the programme budget for the biennium 1990-1991 under the following programme element of Section 23 (Human rights):

Programme element 3.3 - World human rights campaign and external relations

Output: (i) Substantive servicing of two sessions of the Commission on Human Rights.

C. Modifications required in the programme of work

221. No modification is required in the programme of work for 1990-1991, since the activity appears under programme element 3.3.

D. Additional requirements at full cost

222. Subject to the recommendation of the Committee on Conferences, the estimated costs for 30 fully-serviced additional meetings, including summary records, during the forty-seventh session under Section 29 B (Conference Services Division, Geneva), calculated on a full cost basis, is itemized as follows:

	<u>1991</u> (US dollars)
I. Meeting servicing (30 meetings: A,C,E,F,R,S)	185 200
II. In-session documentation (75 pages, 18 documents: A,C,E,F,R,S)	69 300
III. Summary records (30 meetings: E,F,S)	182 200
Total	----- 436 700 =====

223. There would be no additional costs arising under Section 23 (Human rights) from the substantive servicing of the additional meetings.

E. Potential for absorption

224. The estimates of conference-servicing costs indicated in paragraph 222 above are based on the assumption that no part of the conference-servicing requirements would be met from within the permanent conference-servicing capacity under Section 29 (Conference Services Division, Geneva) of the programme budget, and that additional resources would be required for temporary assistance for meetings. The extent to which the Organization's permanent capacity needs to be supplemented by temporary assistance resources can only be determined in the light of the calendar of conferences for 1990-1991. However, as indicated in paragraph 29.5 of the programme budget, the 1990-1991 level of resources for temporary assistance for meetings was estimated on the basis of previous experience to accommodate not only meetings which are programmed, but also additional meetings. In other words, provision was made in the programme budget not only for meetings known at the time of budget preparation, but also for meetings that would be authorized subsequently, provided that the number and distribution of meetings and conferences in the biennium 1990-1991 is consistent with the pattern of meetings in past years. On that basis, it is estimated that no additional resources will be required under Section 29 of the programme budget for the biennium 1990-1991 as a result of the adoption of the decision.
