** The draft resolution is submitted by the delegation of India on behalf of the States Members of the United Nations which are members of the Group of 77.

1/ See A/10112, chap. IV.

Stressing the need to accelerate the implementation of measures for the achievement of industrial development co-operation, particularly those contained in the Lima Declaration and Plan of Action, with a view to raising the share of developing countries to at least 25 per cent of total world industrial production by the end of the century, as called for in the Lima Declaration,

1. Emphasizes that the programme budget proposals for the United Nations Industrial Development Organization in the biennium 1980-1981 should reflect the priorities agreed upon at the thirteenth session of the Industrial Development Board, as endorsed by the Economic and Social Council in resolution 1979/54;

2. Reiterates that the programmes being developed by the United Nations Industrial Development Organization in the system of consultations, the Industrial and Technological Information Bank, and technical assistance are of the utmost priority and urgency to developing countries, and hence the momentum of their growth must be maintained in the biennium 1980-1981;

3. Requests the Secretary-General, accordingly, to submit, during the thirty-fourth session, proposals for the draft programme budget for 1980-1981 that would enable the United Nations Industrial Development Organization to execute the programmes on the consultation system, the Industrial and Technological Information Bank and technical assistance, approved by the Industrial Development Board, and endorsed by the Economic and Social Council.
