Letter dated 18 September 1985 from the Permanent Representative of
Brazil to the United Nations addressed to the Secretary-General

I have the honour to transmit the text of a telegram sent on 17 September 1985 to the Minister for External Relations of Angola by the Minister for External Relations of Brazil in connection with the recent invasion of Angolan territory:

"I have just been informed that the aggressive apartheid régime has invaded the south of Angola from the illegally occupied territory of Namibia. At this crucial moment in history in which there has been a flagrant and unacceptable violation both of the sovereignty of Angola and of the basic principles that govern relations between civilized States, Your Excellency and the entire Angolan nation may rest assured of the solidarity of the Brazilian Government and people. High consideration.

Olavo Egydio Setubal
Minister of State for External Relations
of the Federative Republic of Brazil"

On behalf of the Brazilian Government I request the circulation of this letter as an official document of the General Assembly, under items 34 and 35 of the provisional agenda, and of the Security Council.

(Signed) George A. MACIEL
Permanent Representative
